

SIMSBURY SUMMER LITERACY ACADEMY

To celebrate the 50th anniversary of the Apollo Moon Landing, Simsbury Public Schools, with the assistance of the Simsbury Department of Continuing Education, is pleased to offer the Simsbury Summer Literacy Academy: “**3-2-1...Blast Off to Summer Reading!**” to selected students entering first, second, third, and fourth grades. Through this program, students will develop their literacy skills, accelerating their learning toward grade-level expectations in reading. Based upon grade-level assessment data, teachers will recommend students to join us on this literacy adventure.

In alignment with the Connecticut Reads 2019 theme of a Universe of Stories, our readers will blast into summer by reading literature and informational text about space, reinforcing familiar or developing reading strategies while learning about the universe and exploration. Certified teachers will provide individualized and small group instruction that targets fluency, comprehension, and vocabulary acquisition through exciting content and project-based activities.

The *Simsbury Summer Literacy Academy* will be a three-week adventure. The program will begin on Tuesday, June 25, following the schedule noted below. Our day is from 8:30 a.m. to 12:00 p.m. at Tootin’ Hills School. The registration fee for the program is \$190. Classroom teachers will provide parents/guardians of identified students with necessary registration materials. Families of participating students will need to send a completed registration form and a check payable to the *Department of Continuing Education* to the Elementary Curriculum Center, 25 Nimrod Road, West Simsbury, CT 06092.
