1. Record the perimeters and areas of Rectangles A and B in the chart below.

Rectangle:	Width and Length:	Perimeter	Area
A	<u>5</u> cm by <u>5</u> cm	20 cm	25 sq cm
B	<u>2</u> cm by <u>8</u> cm	20 cm	16 sq cm

2. What is the same about Rectables A and B? What is different?

The two rectangles have the exact same perimeter, but their areas are different.
