Earth’s Powerful Forces of Change

The following words were used in Chapter 7, “Earth’s Powerful Forces of Change.” For each word, pick an activity and complete the chart below.

sweep	Vocabulary Activities 1. Type a definition in your own words. 2. Provide a synonym (similar meaning). 3. Provide an antonym (opposite meaning). 4. Use the word in a sentence. 5. Provide another word that the word or phrase makes you think of and explain why. (<i>Apple</i> makes me think of bananas because they are both fruits.) 6. Think of an example of the word or phrase and type about it. (An example of <i>fruit</i> is cantaloupe. It is a melon that is white on the outside and orange on the inside. They are really tasty in the summer.)
