Directions for applying for the 2022 Graduating High School Senior Scholarship Application

The 2022 Graduating High School Senior Scholarship Application is electronic only and is available on our website beginning October 1, 2021. The deadline for the 2022 Graduating High School Scholarship Application is March 1, 2022, 11:59:59 p.m. This deadline remains the same each year and is **firm**.

- **Step 1** – Create a NextGen account. You can do this by accessing the GSCC website, hovering over the Admissions & Aid header, and selecting the Scholarship link. On the Scholarship page, the high school section is on the right side. Go to “Start Here.” You must first create a NextGen account to have access to the high school application.
- **Step 2** – After you create a NextGen account, you can go back to the high school student section (right side) on the Scholarship page and select the red bar labeled **2022 Graduating High School Senior Application**.
- **Step 3** – Read through pages one and two of the application. Complete page three and upload any required documentation. Check the box beside the name of any scholarship for which you want to be considered. Any additional requirements will appear at that time. If you do not check any scholarship boxes, your name will not be sent to the Scholarship Committee. Note: The Honors Scholarship and Ambassador Scholarship ask for additional documents that will populate when you check the respective box.

IMPORTANT:

- You can “Save Progress” and resume your application at a later time by entering the NextGen link on the Gadsden State Scholarship page. Once in NextGen, go to your Pending/Draft Forms to access your incomplete application. The NextGen link is found on Step 2 of the “Start Here” section. This is a one-time only electronic submission attempt.
- **If you click the red bar labeled 2022 Graduating High School Senior Application, you will start a new application each time.**
- For Athletic and Performing Arts scholarships, students must contact department directors for tryout/audition dates.

The General Scholarship Application is for college students only, not high school students, and is not a substitute for the 2022 Graduating High School Senior Application.
