NOTE 1: Regarding the requirement that an applicant submit a completed form certifying his or her criminal history, state law defines "convicted" as: "[A] conviction by a jury or by a court and shall also include the forfeiture of any bail, bond, or other security deposited to secure appearance by a person charged with a felony or misdemeanor, the payment of a fine, a guilty plea accepted by a court, a plea of nolo contendere, and the imposition of a deferred sentence or suspended sentence by the court." C.R.S. 22-32-109.8 (8)(a). Any district form used to certify a nonlicensed applicant's criminal history should reflect this broad definition of "convicted" to ensure that a nonlicensed applicant discloses the legally required information.

NOTE 2: When the Colorado Bureau of Investigation (CBI) provides an update to the Colorado Department of Education (CDE) regarding those school employees previously subject to a fingerprint-based background check, CDE must provide that update to school districts. Each school district must then cross-check its employee list with the update and take appropriate action if necessary. C.R.S. 22-2-119 (4)(b).

NOTE 3: An employee who is terminated or an applicant who is disqualified from district employment for a felony domestic violence and/or a felony drug offense may reapply for district employment after five years have passed since the date the offense was committed. C.R.S. 22-32-109.8 (6.5)(b). For a felony domestic violence offense, the applicant must also show successful completion of any court-ordered treatment. Other exceptions to this provision allow the district to conduct an assessment to determine if the applicant poses a risk to district students or staff, and also allow the applicant to submit a written request for reconsideration by the district. C.R.S. 22-32-109.8 (6.5)(d). The law includes the specific factors the district must consider. Id.

NOTE 4: Federal law requires school districts to notify individuals fingerprinted that the fingerprints will be used to check the criminal history records of the Federal Bureau of Investigation (FBI). Districts must also notify fingerprinted applicants about the opportunity to challenge the accuracy of the information contained in the FBI identification record and the procedure to obtain a change, correction or update of an FBI identification record. 28 C.F.R. 50.12 (b). Districts must retain documentation that this notification was provided.
