

Georgiana School

Vision

To prepare students to be respectful, reliable, and responsible learners ready to meet the challenges of the future.

Mission

A peaceful, productive, and orderly school to meet the students' academic, social-emotional, and developmental needs.

Beliefs

Students can learn and be actively engaged in the learning process. Students should be treated with concern, dignity, and respect he/she deserves and given the opportunity to participate in extracurricular activities in a safe environment. Overall, students deserve the best possible education.

Student Engagement

Objectives

- Engage learners in environments that promote productive and meaningful student engagement.

Critical Initiatives

- Provide ongoing evidence-based instruction that supports Tier 1 students.
- Provide ongoing evidence-based instruction that supports Tier 2 and Tier 3 students.
- Ensure that identified learners of the protected populations/subgroups will have equal access to the same free/appropriate public education in Pre-K-12th grade.

Professional Development

Objectives

- Professionals will participate in evidence-based professional learning to increase student outcomes

Critical Initiatives

- All educators will be provided evidence-based professional development opportunities that deepen the understanding of student and teacher development and knowledge and virtual instruction/learning.

Learning Supports

Objectives

- Stakeholders will provide a system of supports that addresses academic and non-academic barriers.

Critical Initiatives

- Collaboration between the district and school leaders to offer meaningful parent/family engagement activities.
- Increase non-academic opportunities for students to engage in activities that make them feel accepted, safe, and increase a sense of belonging.
- Align effective evidence-based programs, strategies, and activities to assist in removing academic and non-academic barriers for all

Career Awareness

Objectives

- Provide an increased awareness and interest among all students while exploring all career clusters.

Critical Initiatives

- Collaboration between school leadership and local business/industry to establish a partnership to expose students to career pathway possibilities.
