BASIC EUROPEAN GEOGRAPHY

You are responsible for being able to locate each of the following items on a map of Europe. Use **one map to locate and label all countries, one map to locate and label all cities, and one map to locate and label all physical geography items** (rivers and other bodies of water, mountains, islands and peninsulas). On your maps:

Locate and label the following countries:

Albania	Hungary	Portugal
Austria	Iceland	Romania
Belgium	Ireland (Republic of)	Russia
Belarus	Italy	Scotland
Bosnia-Herzegovina	Latvia	Serbia
Bulgaria	Lithuania	Slovakia
Croatia	Luxembourg	Slovenia
Czech Republic	Macedonia (FYROM)	Spain
Denmark	Moldova	Sweden
England	Montenegro	Switzerland
Estonia	Netherlands	Turkey
Finland	Northern Ireland	Ukraine
France	Norway	United Kingdom
Germany	Poland	Wales
Greece		

Locate and label (you may use a key but be sure to include it) the following cities:

Amsterdam	Hamburg	Oslo
Athens	Helsinki	Paris
Barcelona	Istanbul	Prague
Belgrade	Kiev	Rome
Berlin	Lisbon	Rotterdam
Bern	Liverpool	St. Petersburg

Brussels	London	Sarajevo
Bucharest	Madrid	Stockholm
Budapest	Marseilles	Venice
Copenhagen	Milan	Vienna
Dublin	Minsk	Warsaw
Edinburgh	Moscow	
Florence	Munich	
Frankfurt	Naples	

Locate and labe each of the following bodies of water:

Aegean Sea	Dardanelles Straits
Adriatic Sea	English Channel
Atlantic Ocean	Straits of Gibraltar
Baltic Sea	Mediterranean Sea
Black Sea	Straits of Messina
Bosporus Straits	North Sea

Draw (in blue) and label each of the following rivers. Be sure that the river's source can be seen:

Danube	Oder
Dnieper	Rhine
Don	Seine
Elbe	Thames
Loire	Volga

Locate and label each of the following islands:

Corsica	Iceland
Crete	Ireland
Cyprus	Sardinia
Great Britain	Sicily

Locate and label each of the following mountain ranges:

Alps	Balkans
Apennines	Pyrenees
Carpathians	Urals
Caucasus	

Locate and label each of the following peninsulas:

Asia Minor	Iberian Peninsula
Balkan Peninsula	Italian Peninsula
Brittany	Normandy
Crimean Peninsula	Scandinavian Peninsula
