Evaluation of European Union (Supranationalism)

http://europa.eu/about-eu/basic-information/index_en.htm

SUPRANATIONALISM (define):

1. How many countries are currently in the European Union?
2. Summarize: How does a country join the European Union?
(what are the conditions)
3. Analyze the purpose of the European Union? Why would a country choose to be a part of this supranational organization?
4. Using your research & deBlij reading, explain how complicated it is for the European Union to bring together the many divergent members into one supranational organization.
