

Geography in your Starbucks

For this assignment, you will write down four ingredients in a Starbucks Mocha Chip Frappuccino.

On the first page, write down the ingredients and then guess where they came from, where they are cultivated today, and who consumes the most of that ingredient today.

<p>Ingredient:</p> <p>Where it originates (your guess):</p> <p>Country or region that most cultivates it today (your guess):</p> <p>Country or region that most consumes it today (your guess):</p>	<p>Ingredient:</p> <p>Where it originates (your guess):</p> <p>Country or region that most cultivates it today (your guess):</p> <p>Country or region that most consumes it today (your guess):</p>
<p>Ingredient:</p> <p>Where it originates (your guess):</p> <p>Country or region that most cultivates it today (your guess):</p> <p>Country or region that most consumes it today (your guess):</p>	<p>Ingredient:</p> <p>Where it originates (your guess):</p> <p>Country or region that most cultivates it today (your guess):</p> <p>Country or region that most consumes it today (your guess):</p>

Geography in your Starbucks

Now, write down the same four ingredients in a Starbucks Mocha Chip Frappuccino.

Then, look up where they came from, where they are cultivated today, and who consumes the most of that ingredient today.

<p>Ingredient:</p> <p>Where it originates:</p> <p>Country or region that most cultivates it today (your guess):</p> <p>Country or region that most consumes it today:</p>	<p>Ingredient:</p> <p>Where it originates:</p> <p>Country or region that most cultivates it today:</p> <p>Country or region that most consumes it today:</p>
<p>Ingredient:</p> <p>Where it originates:</p> <p>Country or region that most cultivates it today:</p> <p>Country or region that most consumes it today:</p>	<p>Ingredient:</p> <p>Where it originates:</p> <p>Country or region that most cultivates it today:</p> <p>Country or region that most consumes it today:</p>
