Enrollment Guide

Pacific Coast High School—Overview

Pacific Coast High School (PCHS) is a WASC accredited, college preparatory, voluntary public high school; very different from many schools you may have experienced before. In keeping with our mission statement, our philosophy and courses are similar to a community college format, utilizing a syllabus approach to each trimester course. PCHS is a recipient of the CA Department of Education's Exemplary Independent Study Award, and has received UC approval for most courses offered.

July-August trimester courses are offered online. Please refer to the *Course Offerings* section for a complete description of courses offered.
