

Science Department

Back To School Night

Old Distance Learning vs New Distance Learning

- *No requirement for virtual meetings
- *No state attendance requirement
- *Assignments posted by teachers and completed by students in their own time
- *Grades could not be lower than prior to Quarantine

- *Requirement for virtual meetings 240 minutes per day
- *Daily state attendance requirement with logs
- *Assignments done during virtual class time as well as possible homework during students' own time
- *Grades are calculated based on total work assigned

Classroom Expectations

- Students should not share their login information, meeting links, or passwords with others.
- To the extent possible, students should participate in virtual instruction from a quiet and neutral area that is free of distractions.
- School and classroom rules apply to the virtual instruction environment.
- It is recommended that students review the District Technology Acceptable/Responsible Use Policy regarding expectations for behavior while conducting themselves online and on District devices. [[Click here to Review the CVUSD Responsible Use Policy.](#)]

- Students should **dress appropriately** for virtual instruction sessions.
- Students who use inappropriate language, share inappropriate images, or in any way behave inappropriately on a video conference will be subject to appropriate discipline.
- Students should not conduct audio or video recordings or take screenshots of virtual class meetings or activities unless they have received prior permission to do so from a teacher or authorized District official.
- To the extent possible, parents should allow the student to work with the instructor or provider in a **quiet, private space with NO distractions**.
- *Students should be **ON camera** in full view to the teacher during the entire class period.
- Once the virtual instruction session or meeting is over, students should be sure to close out of the meeting platform entirely. Students should also ensure that cameras are covered and that microphones are turned off to avoid inadvertent transmission following the meeting.

Assignments

Daily Warmups and Google Meets will be in the Google Classroom (GCR)

Assignments will be posted the day of the class period on Microsoft Teams

Students should sign into their Classlink every day to access their Google Classroom and Microsoft Team

Assignments not completed during class should be completed at home before the next class meeting.

No late work will be accepted

Assessments

Assessments will be given during the section to check for understanding, and after each section to check for mastery.

Feedback

Feedback will be given on the student's Assignments in Microsoft Teams

Grades

Total class grades will be posted on Aeries once every six weeks. Please monitor individual assignments in the Microsoft team.

Troubleshooting Guidance Technology

*Student self-solving: visit CVUSD EdTech Notebook (linked on student ClassLink page)

*Access to district technology from home: Community Support Hotline (M-F, 8:00 AM - 3:00 PM) (909) 628-1202, ext. 1080

*Access to district technology from home:
CommunitySupport@chino.k12.ca.us

*Contact your home school to request a Chromebook.

Troubleshooting Guidance Classwork

- *Ask questions during class- this is the first, best way to understand classwork.
- *Student self-solving: Check the classroom webpage, Check the Google Classroom Stream, Check the Microsoft Team assignments and Notebook.
- *Attend the Office Hours- instructions to join are in the GCR Stream.
- *Email the teacher- be sure to include your full name and your class period. Emails are checked during the office hours.
