

## Attention Middle School Students!!

Have you ever wondered what design process is involved in creating a mobile app? Do you love science, problem-solving and working with electronics? If you've answered yes to these questions then this is the program for you!

**When: July 29-August 2 from 9-3 (lunch provided)**

**Where: Waterbury Career Academy High School**

### Curriculum Guide

**•Overview:** goIT is TCS' community engagement program that increases interest in STEM and Computer Science through design thinking, mobile app development, and mentorship from TCS employee and community volunteers. Throughout the goIT process, students will participate in six modules that include fun activities, computational thinking, prototyping, presentation-building skills, and more.

Open to the **first 150** students who respond! \* You must be able to attend **all five days** and transportation is available if needed. Please return your completed application on the back to your Science/Tech Ed teacher or email it to [knizzardo@waterbury.k12.ct.us](mailto:knizzardo@waterbury.k12.ct.us) no later than **Thursday June 20th!**

\*Previous GoIT students are invited to apply but preference will be given to those students who have not had a chance to previously participate.
