

What is Abstract Art?

Abstract art is creating/building/making a drawing, painting, or sculpture of an object but trying not to make your creation look like the actual object. To achieve/create abstract art, artists use different shapes, colors, and marks.

Can you see a face?

Using shapes, colors, and marks

Lesson 1

Color "Matisse's color by numbers"

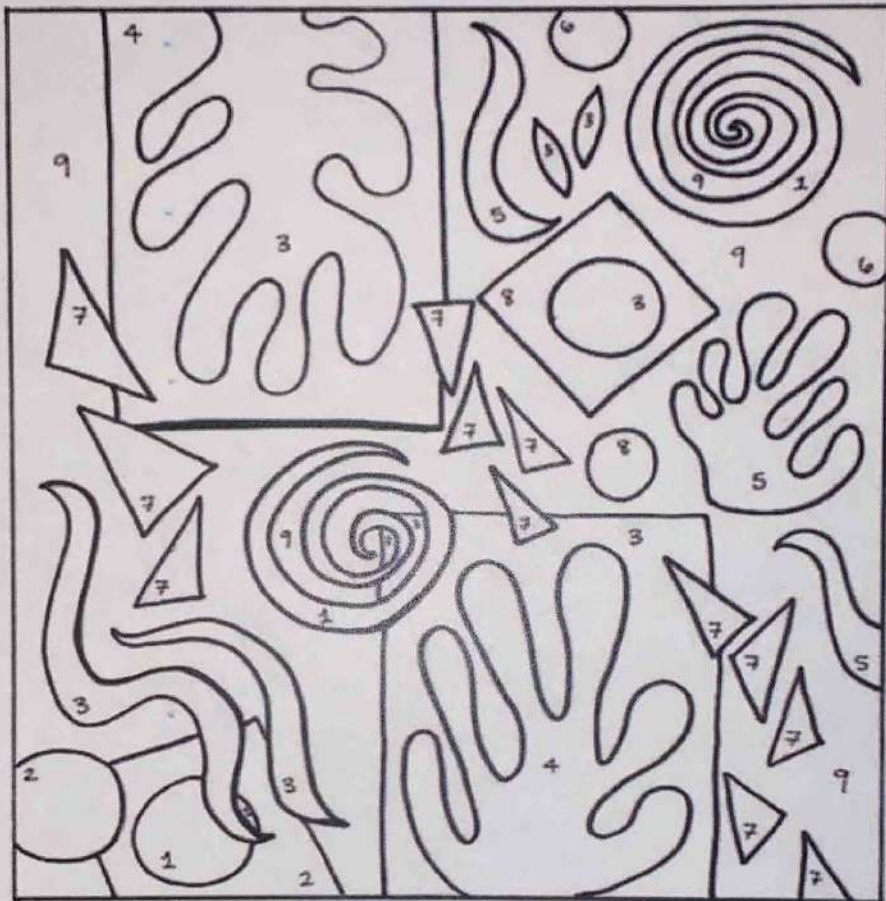

Primary Colors: Blue Yellow Red

Lesson 2

Create your own Abstract Art using shapes, different colors, and unusual(weird) marks.

MATISSE
