

Ganado Primary 1st Grade

Parents/Guardians,

Here is a general activity list for March 30 – April 3, 2020.

1st Grade Activities:

Monday:

Reading: Read 2 or 3 books and discuss questions with parents.

- 1) Who are the characters in the story?
- 2) What happened in the story that you liked? Or 3) What happened in the story that you would change?

Science: Track the weather for 5 days. (Sunny, Windy, Raining, Snowing, Cloudy, Breezy) Tell which weather was the greatest for the week and the least. Draw a picture or pictures of the weather that you liked the most and tell why./ The weather that you liked the least and tell why. Share with someone in your house.

Math: create 10 addition problems and solve

Write numbers 0-200

Tuesday:

Writing: Write 5 complete sentences using 5 of the following words:

Word bank: use, first, because, inside or outside, through, think, together, different, people, United States, safety, parents

Draw 2 pictures for 2 of the sentences and share with someone in your house.

Social Studies: Discuss and learn about the 5 guidelines of protecting yourself and family members in your house from the coronavirus.

Wednesday:

Reading: read for 20 minutes. Discuss with your parents why you liked 1 or 2 of the books/reading material. Tell about the character(s) or something that happened in the story.

Math: Create 5 subtraction problems and solve

Thursday:

Writing: Write 5 complete sentences with 5 of the words.

Word bank: child, have, strong, everyone, sky, animal(s), environment, book, reading, friend, President, clothes, yesterday

Draw a picture for 2 of the sentences.

Science: Observe (watch) an animal or pet you have at home for about 15 – 20 minutes. Draw a picture and label the main body parts: head, body, legs, tail (if they have one), paws, ears, eyes, mouth/beak/snout, wings, claws, Write about what they did during the time you observed them.

Friday:

Reading: read for 20 minutes. Discuss why you didn't like about 1 book. Discuss and share with your parent about the character(s) or something that happened in the story.

Draw a picture that tells about what you discussed with your parents or parent.

Math: Write numbers from 0-100.

Choose 5 numbers to figure out 10 more or 10 less.

Assignments for April 6 – 10, 2020 will be posted to Google Classroom. If you have any questions, feel free to contact the teachers.
