

Grade 1 - Unit 4 - Creating a Sense of Space

Unit Focus

During the course of this unit, students will understand how to utilize space and create the illusion of space through the use of light/shadow, size and placement of shapes. They will apply these skills to create a still life. Students will analyze a variety of still life and/or landscape paintings in a museum like setting (i.e. Grant Wood/Grandma Moses), be introduced to a formal critique process.
