Name _____   Date _____

The bar graph below shows the students' favorite ice cream flavors.

Favorite Ice Cream Flavors
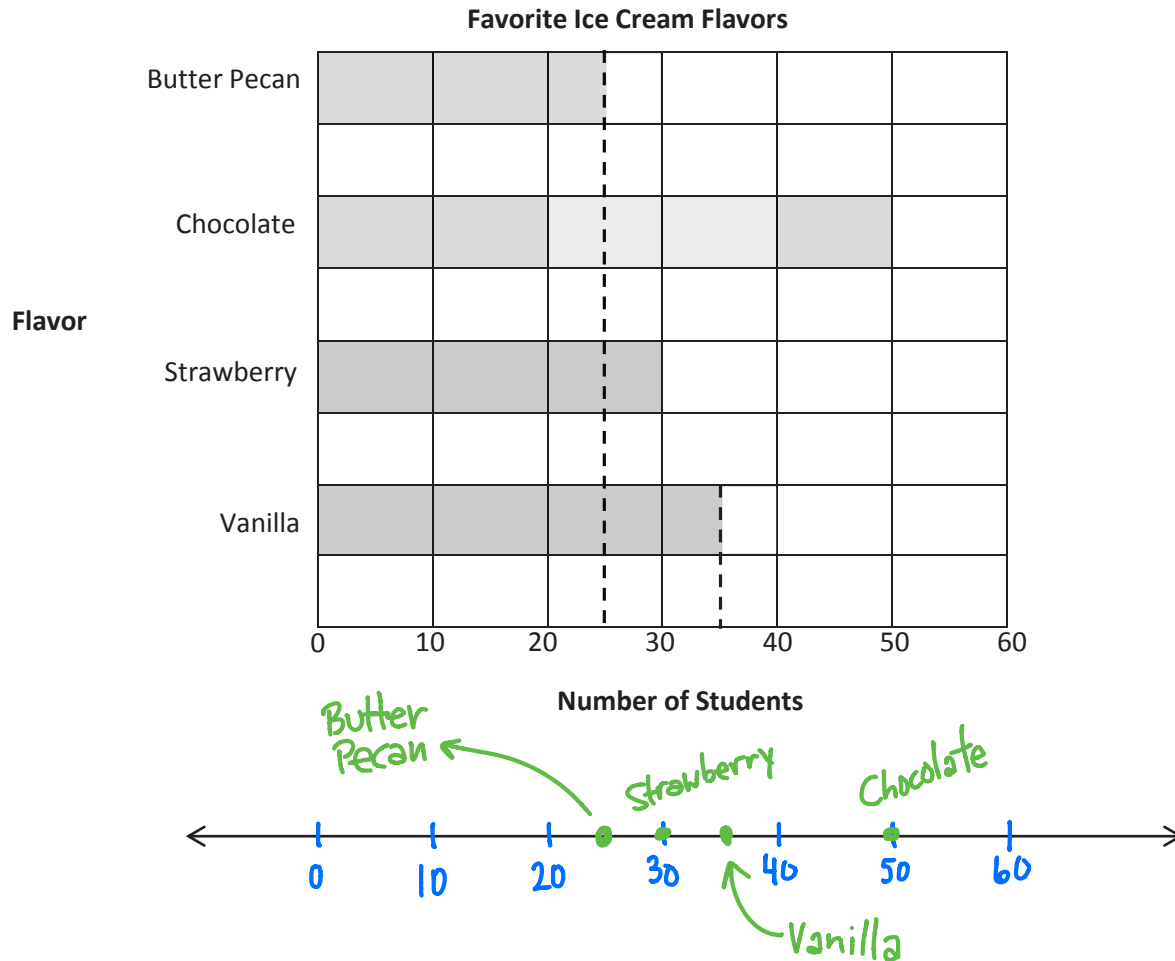

a. Use the graph's lines as a ruler to draw intervals on the number line shown above. Then plot and label a point for each flavor on the number line.

b. Write a number sentence to show the total number of students who voted for butter pecan, vanilla, and chocolate.

$$\text{butter pecan} + \text{vanilla} + \text{chocolate} = 25 + 35 + 50$$
$$= 110$$

There were 110 students who voted for butter pecan, vanilla, and chocolate.
