

Name _____

Date _____

Divide, and then check using multiplication.

a. $73 \div 20$

$$\begin{array}{r} 20 \overline{)73} \\ \underline{-60} \\ 13 \end{array} \quad \begin{array}{l} 3 \text{ R}13 \end{array}$$

Check

$$20 \times 3 = 60$$

$$60 + 13 = 73$$

b. $291 \div 30$

$$\begin{array}{r} 30 \overline{)291} \\ \underline{-270} \\ 21 \end{array} \quad \begin{array}{l} 9 \text{ R}21 \end{array}$$

Check

$$30 \times 9 = 270$$

$$270 + 21 = 291$$
