

Class of 2021

Registration Meeting

Registration Procedure

- **All 10th grade students will meet with their counselor next week to select courses for next school year**
- **Students last names A-I should have a purple Course Request Form and will meet with Mrs. Ewais**
- **Students last names J-Z should have a green Course Request Form and will meet with Mr. Willoughby**

Registration Procedure

- Registration appointments have been scheduled mostly during Civics/Economics, English 2 & Physical Science classes

Tuesday, March 12 th	Wednesday, March 13 th	Friday, March 15 th
Mr. Batten 1 st & 2 nd blocks	Mrs. Greenup 1 st block	Mr. Curtis 1 st , 3 rd & 4 th blocks
Mrs. Kidd (Math 3 H) 1 st block		
Mr. Hartley 2 nd & 3 rd blocks	Mr. Barnes 2 nd block	
	Mrs. Wagner 3 rd & 4 th blocks	

- If you are not in one of the English 2, Civics/Economics or Physical Science classes listed, you have been scheduled for an appointment on either March 14th or March 15th. Refer to the top of your Course Request Form for your appointment time.
- Please arrive promptly to your scheduled appointment
- If there is a conflict with your appointment time, see your counselor to reschedule.

2019/20 Course Catalog

Now available online and may be
accessed at:

coursecatalog](https://www.johnston.k12.nc.us/coursecatalog)

What to Bring to Appointment

- **Transcript** *(the copy that was given to you today)*
 - Look over classes and grades you've earned to this point
 - Note any changes to your address & inform your counselor
- **COMPLETED Course Request Form**
 - All forms must be signed by you AND a parent (signature lines are on bottom of back page)
 - Add additional courses and electives so you have 7 courses selected on the back. Rank these courses in order of importance/interest.
 - If you need to complete the “Parental Request for Standard and Honors” block, make sure you have a parent & student signature in the box

Sample Course Registration Form (p.1)

- Teachers have recommended you for core classes
- If you need to change one of those requests, do so here:
- If you have been recommended for a standard level course, but would like to do honors, this box must also be completed

____ Yes ____ No

Entered _____

The courses listed above are courses that teachers have recommended for you to take during the 2019-2020 school year. You should take this opportunity to review these course recommendations with your parents.

Changes to Course Requests If after carefully reviewing your recommended placement in core courses, you feel it is best for you to be placed in a different setting such as honors or standard, you may use the space below to request a change.
Standard Courses- Course content, pace, and academic rigor follow standards specified by NC Standard Course of Study.
Honors Courses- Course content, pace and academic rigor put high expectations on students and surpasses standards specified by NC Standard Course of Study.

Parental Request for Standard and Honors

Discuss this request carefully with your son/daughter and understand the extra requirements for success, which may include increased workload and faster pace of study. In addition, recognize that this request does not guarantee placement; this request will be considered on a space available basis. Once enrolled the course cannot be dropped.

COURSE/S TO BE MODIFIED	STANDARD	HONORS

We, *parent/guardian and student*, have discussed the possible impact of taking the requested course on the overall academic program, including extra time commitment, increased independence, and faster pace required.

Parent/Guardian Signature: _____ Student Signature: _____ Date: _____

Sample Course Registration Form (p.2)

- Select a total of 7 elective courses for next year
- Electives are in addition to the courses listed on the front *(Rank the electives from 1 to 7. 1 is the course with most interest, 7 is the course least interest)*
- Be sure you have at least some interest in the electives selected. You may get some of the least desired courses selected.
- **BE SURE TO SIGN & HAVE A PARENT SIGN THIS FORM** 

Electives should be selected on back of this form.

Elective Courses

Below is a list of all the courses that are available to you at North Johnston HS. In addition to English, Social Studies, Math and Science you must select electives 7 electives.

Choose your electives by numbering them 1-7, with 1 your first choice.

ENGLISH	OCCUPATIONAL COURSE OF STUDY (OCS)
Creative Writing	Referrer to OCS Student Form
Yearbook Journalism I & II	
Honors Yearbook Journalism III & IV	
MATH	AGRICULTURAL, FOOD & NATURAL RESOURCES
Advanced Functions & Modeling	Agriscience Applications
Honors Advanced Functions & Modeling	Biotechnology & Agriscience Research I
Discrete Mathematics	Honors Biotechnology & Agriscience Research I
Honors Pre-Calculus	Horticulture I
Honors Introduction to College Math	Horticulture II* (Spring Only)
AP Calculus AB (2 credits)	Honors Horticulture II* (Spring Only)
SCIENCE	Agricultural Mechanics I
Honors Chemistry	Agricultural Mechanics II*
Honors Chemistry II	Agricultural Mechanics II*/ Small Engines (Spring Only)
Honors Physics	Honors Agricultural Mechanics II*
Honors Anatomy & Physiology	Animal Science I
SOCIAL STUDIES	Animal Science II*
World Issues	Honors Animal Science II*
HEALTH & PHYSICAL EDUCATION	Animal Science II Small Animal*
Physical Education II- IV	Honors Animal Science II Small Animal*
Lifetime Fitness/Weight Training I-IV	BUSINESS MANAGEMENT AND ADMINISTRATION AND/OR FINANCE
Weight Training (Football Players ONLY)	Principles of Business & Finance
Girls Weight Training I-IV	Personal Finance
Sports Medicine I	Microsoft ITA: Excel and Access
Sports Medicine II	Microsoft ITA: Word and Power Point
WORLD LANGUAGE	Multimedia and Webpage Design*
Spanish I	Entrepreneurship I*
Spanish II	MARKETING AND/OR HOSPITALITY AND TOURISM
Heritage Spanish I OR Heritage Spanish II (circle one)	Marketing
ARTS EDUCATION	Fashion Merchandising
Theater Arts	Hospitality and Tourism*
Visual Arts-Beginning	FAMILY AND CONSUMER SCIENCE
Visual Arts- Intermediate/Advanced	Parenting and Child Development
Band- Beginning	Foods and Nutrition I
Band- Intermediate/Advanced	Foods and Nutrition II
Vocal Music- Beginning	Honors Early Childhood Education II * (2 credits)
Vocal Music- Intermediate/Advanced	HEALTH SCIENCE
Music History Appreciation	Health Team Relations
Honors Music Theory	Biomedical Technology
OTHER ELECTIVES	Health Science I
Teacher/Office TA (No credit) Seniors Only	Health Science II*
Late Arrival (No credit) Seniors Only	TRADE & INDUSTRIAL
Early Release (No credit) Seniors Only	Electronics I
Early Graduation	Electronics II*
Curriculum Assistance	Green Technology I- Wind and Solar Power
CTE Internship Seniors Only	Green Technology II- Smart Grid Ad Sustainability
College and Career Promise (CCP, See Mrs. Wellons)	
AEROSPACE SCIENCE ROTC	
Aerospace Science AS 201- Global Studies 1 (Fall)	
Aerospace Science AS 202- Global Studies 2 (Spring)	
Honors ROTC	

*Completer course

Lastly, it is important to know that there will be *NO* schedule changes in the fall. Students will receive their schedules in June or July and must resolve their schedule changes in the summer by completing an online request. All Course offerings are subject to teacher allotments and minimum class size.

Johnston County Public Schools does not discriminate on the basis of gender, race, color, national origin, or handicapping conditions when considering students for enrollment into its educational program.

Graduation Requirements

listed on pg. 5 of Course Catalog

- **ENGLISH (4 Credits)**

- English 1
- English 2
- English 3
- English 4

- **MATH (4 Credits)**

- NC Math 1
- NC Math 2
- NC Math 3
- 4th Math (Advanced Functions and Modeling-Standard & Honors, Discrete Math, Honors Pre-Calculus, AP Calculus)

Graduation Requirements

- **SCIENCE (3 Credits)**
 - Earth/Environmental Science
 - Biology
 - A Physical Science (Chemistry, Physical Science, or Physics)
- **SOCIAL STUDIES (4 Credits)**
 - World History
 - Civics & Economics
 - American History I
 - American History II
- **HEALTH & PE (1 Credit)**
- **ADDITIONAL GRADUATION REQUIREMENTS**
 - CPR certification must be completed
 - Students who are CTE concentrators must complete Work keys testing prior to graduating

Graduation Requirements

- **ELECTIVE CONCENTRATION AREA (4 Credits)**
 - **4 credits from one of the following areas:**
 - **Humanities** (English and Social Studies electives)
 - **STEM** (Science, Math, Electronics or Technology electives)
 - **Advanced Placement (AP) or College Courses (CCP)**
 - **World Language**
 - **ROTC**
 - **Arts** (Any combination of Vocal Music, Visual Arts or Band credits)
 - **Health & PE** (Must include Anatomy & Physiology/Sports Medicine)
 - **Career & Technical Education** (Agriculture, Business Management, Health Science, Human Services, Manufacturing, Marketing, Hospitality & Tourism)
 - **NOTE:** Students graduating after 2015 must successfully complete CPR before graduating high school

28 TOTAL CREDITS

Course Offerings

- **ENGLISH**

- English 1, 2, 3, 4
- Yearbook Journalism (2 credits)
- Creative Writing

- **MATH (4 Credits)**

- Math 1, 2, 3
- Advanced Functions and Modeling Standard
- Advanced Functions and Modeling Honors
- Discrete Math
- Honors Pre-Calculus
- Honors Introduction to College Math/AP Calculus AB (2 credits)

***NOTE:** Recommend at least 1 Math per year of high school

Course Offerings

- **SCIENCE**

- Earth/Environmental Science, Biology, Physical Science, Chemistry
- Honors Physics
- Honors Chemistry 2
- Honors Anatomy/Physiology

- **SOCIAL STUDIES**

- World History, Civics & Economics, American History 1, American History 2
- Accelerated Honors American History 1 & 2
- World Issues

Career & College Promise (CCP)

- The CCP program at Johnston Community College is an educational opportunity for qualified North Carolina high school students to begin preparing for their career and/or the completion of college credits.
- 2 Pathways:
 - Career and Technical Education
 - Lead to certificate, diploma or degree
 - Must have weighted GPA of 3.0 or minimum 2.0 GPA with Principal's recommendation
 - College Transfer
 - Lead to approximately 30 hours of college credit
 - Must have 3.0 weighted GPA plus qualifying test scores
- **NOTE:** Eligible and/or interested students should contact the NJHS CCP liaison Mrs. Mary Wellons, at marywellons@johnston.k12.nc.us or (919) 209-2034

Career & College Promise (CCP)

- Most CCP courses are taught at JCC – Students need to provide their own transportation
- Students must be enrolled in at least one high school course to qualify for CCP
- These are college classes – they are expected to be much more difficult than high school courses. Also, strict attendance policies are followed
- Please be reminded: **CCP Applications are due TODAY, March 8th, 2019**

Career & College Promise (CCP)

Applications are due TODAY

March 8th, 2019

NO EXCEPTIONS!!

Students should have met with a CCP Advisor on March 5th. This was the last day of appointments that were available at NJHS.

Instructions for completing the application and information about CCP can be found at:

<http://www.johnstoncc.edu/programs/career-and-college-promise/index.aspx>

GPA

- GPA is found by converting all your final grades into the corresponding letter on the GPA scale and then averaging the numbers.

Academic course levels for students entering 2015-16 & beyond

	A	B	C	D	F
Standard	4	3	2	1	0
Honors (0.5)	4.5	3.5	2.5	1.5	0
AP (1 point) CCP (1 point) IB (1 point except for Spanish courses)	5	4	3	2	0

- 10 Point grading scale

Latin Honors

Latin Honors distinction are detailed below:

GPA Range	Recognition
4.25 or greater	Summa Cum Laude
4.00 – 4.249	Magna Cum Laude
3.75 – 3.999	Cum Laude

Transcript Review

- Review transcript to ensure you are on track for graduation
- Check your total credits.
- If you are missing credits, consider Evening Academy or Summer School (if offered) or to get back on track.
- To be promoted to the 11th grade, you must successfully complete English I and 12 additional credits, 1 of which must be a math (**at least 13 total credits**)
- Look at your GPA
 - If you are college bound, start researching colleges that interest you to see if you are on track with their requirements

APPENDIX A Johnston County Graduation Progress Checklist

English

- English I
- English II (EOC exam required)
- English III
- English IV

Math

- NC Math 1 **OR**
Foundations of NC Math 1 and NC Math 1B
(2 credits)
- NC Math 2 **OR**
Foundations of NC Math 2 and NC Math 2B
(2 credits)
- NC Math 3 **OR**
Foundations of NC Math 3 and NC Math 3B
(2 credits)
- 4th Math after NC Math 3: _____

Math Opt-Out*:

- Foundations of NC Math 1 and NC Math 1B
- Foundations of NC Math 2 and NC Math 2B
- NC Math 3
- Other: _____

Science

- Earth/Environmental Science
- Biology (EOC exam required)
- A Physical Science (i.e. Physical Science, Chemistry, or Physics)

Social Studies

- World History
- American History: Founding Principles, Civics & Economics
- American History I
- American History II

Healthful Living

- Health & P.E.

Elective Concentration Area

Students must take 4 courses from one of the following areas:

- Humanities (English & Social Studies Electives)
- STEM (Science, Tech, Engineering, Math)
- AP Courses/College Transfer Courses
- World Languages
- Career Technical Pathway:

- ROTC
- Arts
- AVID
- Advanced PE (3 PE & 1 Higher Level)
 1. _____
 2. _____
 3. _____
 4. _____

Electives

Two of the following electives must be from Career & Technical, the Arts, or World Languages unless it is the concentration area.

- _____
- _____
- _____
- _____
- _____
- _____
- _____

Additional Course:	Additional Course:	Additional Course:	Additional Course:

Note: Students should complete the additional course sections with elective courses based on their chosen concentration area (see pg. 4).

Pathway: _____

Selecting Courses

- When selecting courses, think not only about your junior and senior year, but also about your post-secondary plans
- Start focusing on a career pathway that interests you
 - Think about what you might like to study in college or what type of work you want to get into, and select courses you think may help prepare you for those fields
- Try to challenge yourself with honors level courses
 - If you've been consistently making A's in standard level courses, consider trying an honors class
 - Colleges like to see that you've challenged yourself and that you are ready for college level work

Schedule Changes

- Students will receive their schedules for the upcoming 2019/20 school year in June and must resolve their schedule changes over the summer by completing an online request (More information to come).
- All online schedule changes must be submitted by 5 p.m. on July 29th, 2019.
- There will be NO schedule changes in the Fall Semester 2019!
- Approved schedule changes will be made and new schedules will be distributed on Open House night (Date TBD).
- Changes to JCC schedules must follow this same process. However, courses cannot be dropped once JCC courses have started.

NOTE: Make sure your mailing address is correct. If updates are needed, complete the change of address form.

Schedule Changes (Continued)

Please keep the following in mind when making a request for schedule change:

Schedule changes will be made for the following reasons:

- Academic misplacement – If level courses are scheduled in the same semester (ex. Spanish I and II). If level courses are out of sequence (ex. Spanish II first semester and Spanish I second semester).
- Student is placed in the wrong level of class or is placed in a class without meeting the pre-requisite course(s). (ex. Math II but has not completed Math I)
- If the student needs a required course for graduation- Student is missing a core class such as English, math, science, or social studies.
- If the student already has credit for a course on his/her schedule.
- To balance classes so that overcrowding does not occur.

Schedules will not be changed for the following reasons:

- The class is perceived by the student to be too difficult.
- To change the student's lunch.
- To have classes with friends.

Evening Academy

- Evening Academy is offered through the Connexus online course program and may be used for transcript enhancement or to catch up on credits you are missing.
- You must complete an application in order to participate. It must be signed by a parent and approved by a counselor and/or the principal.
- Once approved, you will need to work a minimum 6 hours per week.

Summer School

- Review your transcript carefully. If you are eligible to take a course in Summer School, it is HIGHLY recommended that you do so.
- Summer School is not guaranteed. If it is offered, it is a great way to help keep you on track for graduation and retrieve credits that have been lost due to failed courses. In the event Summer School is offered, these options may be available:
- Potential courses offered this summer at NJHS
 - Repeat Courses
 - First Time Courses
 - Credit recovery for previously failed core classes

Important Reminders

- You **MUST** bring your **COMPLETED** Course Request Form to your scheduled appointment time
- Be **ON TIME** for your appointment
- If you cannot make your scheduled appointment or miss your appointment, we will reschedule you for later in the month
- If you miss your appointments and do not turn in your completed Course Request Form, we will pick your courses for you

Important Reminders

- This will be your only opportunity to select or change course selections for next year so choose course selections and electives wisely. (**NOTE: If you have no interest in an elective, DO NOT select it because you might end up scheduled for that class**)
- Course offerings are subject to change - Keep in mind that we may not be able to offer all courses next year due to low enrollment or teacher availability
- Students interested in Late Arrival, Early Release, Teacher's Assistant, or Early Graduation must meet with your counselor to complete an official request form. (**NOTE: All forms require a parent/guardian signature. Most require an Administrator's signature**).

College Planning Process

What you can start working on now

- **Begin your research now!**
 - Start generating a list of colleges you may want to apply to
 - Start with a broad list, then narrow it down
 - By your senior year, you should have identified up to 5 schools in which you plan to apply
 - Use sites like www.CFNC.org or www.collegeboard.org to research schools that may fit what you are looking for
 - If you are unsure of what field you want to go into, complete an interest inventory (can be found on CFNC)

College Planning Process

What you can start working on now

- Go on college visits – the summer is a good time to do this!
- Get organized
 - Obtain copies of applications to see what other things are required (becoming familiar with the college application process will make things much easier when you become a senior)
- Begin researching scholarships
 - Check our website regularly to become familiar with the various scholarship opportunities and requirements for those scholarships. (Make note of the specific scholarships you should apply for your senior year)

Questions??
