

Dear Parents and Students,

Welcome to second grade at Stafford Elementary School. We are asking all second grade students to bring some of their own supplies to school. While many of these supplies may be available at school, quantities are very limited. Watch for those back to school sales over the summer!

- One 24 pack of crayons
- Dry erase markers and eraser (NO spray cleaner please)
- One package of glue sticks
- Two dozen yellow #2 sharpened pencils. NO mechanical pencils please!
- Erasers, pencil top and block
- Child scissors
- Box of Kleenex
- Markers
- One spiral notebook
- One composition book
- Supply box
- One package 3X3 post its (sticky notes)

\*\* Please do not send in a Trapper Keeper. They are too large for the desks. Feel free to bring in supplies during the Meet and Greet in August!
