- 

Provide a place where “everybody knows your name, and they are always glad you came.”

Family First! (Cares about your family and understands all about work/life balance)

# Just Right Leveled Learning for every student!

Every student will make a year and half of academic growth based on his or her starting point

# High expectations for the students and staff.

“I really appreciate the way you are always willing to help with the work.”

“Thanks for making me a better teacher.”

“Hey Newman, the schedule and groups we made for workshop are working!”

“Thanks for modeling how to teach fluency.”

Thinks outside the box. Sees the big picture.
