

Third Grade Spanish

March 23-26

Hola amigos!!

I miss you all so much! I hope you are going outside to play in this nice weather. I also hope you are enjoying time with your "familia".

Here are some activities for you to practice your Español!

1. Teach your family the bosque tropical song. Act it out for them:
Bosque tropical, bosque tropical
Hay cuatro niveles en el bosque tropical
Piso, sotobosque, boveda, emergente
El bosque tropical es excelente.
2. Play charades with the action/movement words. Ask a sibling or parent to act one out and you say it in Spanish
Salta- jump corre- run camina- walk desliza- slide/slither nada- swim escala- climb vuela- fly
3. Draw a picture that matches these sentences:

El ratón corre en el piso. El ratón es de color café.
El perezoso escala en la bóveda. El perezoso es de color gris y negro.

I will post more activities next week.

Virtual ((abrazos))-hugs
