

Sixth Grade Spanish

March 23-26

Hola amigos!!

I miss you all so much! I hope you are going outside to play in this nice weather. I also hope you are enjoying time with your "familia".

Here are some activities for you to practice your Español!

1. Teach someone at home some clothing words in Spanish. Explain to them why you wear that item of clothing.

Llevo \_\_\_\_\_ porque \_\_\_\_\_

2. Look through your closet and list out the items you know how to say in Spanish. Describe it with the color too. Maybe you can organize your closet while you're in there!

Ej. La chaqueta azul.

3. Also, go into the Spanish classroom page and on the left side, scroll down to 6<sup>th</sup> grade Geography fun and access some fun practice links.

I will post more activities next week. We will be starting LA COMIDA –food!!
