## **Equal Educational Opportunities**

All ECASD programs and classes (including Career & Technical Education and Project Lead the Way) are available to students regardless of their sex, race, religion, color, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, gender identity or physical, mental, emotional or learning disability.

The District encourages informal resolution of complaints concerning alleged discrimination. If any person believes that the Eau Claire Area School District or any part of the school organization has failed to follow the law and rules of §118.13, Wis. Stats., the Americans with Disabilities Act, Title IX, Title VI, or Section 504 or in some way discriminates against students on the basis of sex, race, religion, color, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, gender identity, or physical, mental, emotional or learning disability he/she can bring or send a complaint to Kay Marks, Executive Director of Human Resources, 500 Main Street, Eau Claire, WI 54701. Ms. Marks can be contacted at 715-852-3051.

The Eau Claire Area School District Non-discrimination policy can be found at <http://www.ecasd.us/ECASD/media/District-Site/PDFs/NondiscriminationPolicy2013.pdf>

## **Eau Claire Area School District: Multi-level System of Supports**

**Students reach educational targets and benchmarks in different ways. Several factors can impact when students reach proficiency in a course of study. In Eau Claire, our goal is that all students will meet or exceed our benchmarks. Therefore, we work to provide educational services within a framework known as an Equitable Multi-level System of Supports (MLSS).**

**This means that we provide rigorous, differentiated educational programming within our universal coursework. Some students will need additional support and/or enrichment to meet or exceed grade-level benchmarks. Below is an explanation of some of the ways students can be supported in the EMLSS framework within the Middle School program.**

- **English Learners:** Students who speak a language other than English at home may qualify for English language (EL) support. For additional information on EL services, please contact the school's EL teacher or the Director of Student Services, Misti Trowbridge at 715-852-3188 or [mtrowbridge@ecasd.us](mailto:mtrowbridge@ecasd.us).
- **Talented and Gifted Education:** The Eau Claire Area School District provides for the special learning needs of students who exhibit gifted behavior in any of the following areas: general intellectual ability, specific academic ability, artistic ability (including art, music, drama), leadership ability, and creative ability. Students are assessed for appropriate math, science, and language arts placement during their middle school years. If you are interested in learning more about talented and gifted programming, please contact your school's instructional coach or or the Director of Academic Services, Michelle Radtke at 715-852-3091 or [mradtke@ecasd.us](mailto:mradtke@ecasd.us)
- **Special Education:** Special education services may be delivered in a general classroom, pull out environment; or a combination of these options. Individual Educational Plans (IEP) are designed to meet the student's educational needs with accommodations and/or modifications. Course selection decisions are made based on the student's IEP. Most special education courses parallel traditional core academic offerings, but some are significantly modified in content and focus. See your school counselor or IEP manager for more information. You may also contact the Director of Special Education, Christi Watkinson, at 715-852-3134 or [cwatkinson@ecasd.us](mailto:cwatkinson@ecasd.us).

- **Course Credit Requirements:**

The District has established standard credit requirements for high school graduation. All required credits must be earned by completing the course with a minimum passing grade while the student is enrolled in the grades 9-12 in the high school. Students in the Talented and Gifted program in middle school may enroll in high school courses; however, credits earned count as middle school courses only and will not impact high school grade point average. Students will need to complete the required number of credits for each department during grades 9-12. Courses will be listed on a student's high school transcript to ensure sequence of coursework will be followed.

<b>Grade 7 Required Courses</b>
-------------------------------------

<b>7050</b>	<b>Reading 7</b>	Grade 7	Required	Semester
-------------	------------------	---------	----------	----------

Reading 7 is designed to build on skills mastered in Reading 6. This course will encourage reading for enjoyment and build proficiency to read texts found in content areas. Students will work on developing and using strategies for literature and informational texts. They will become deep and critical readers who are proficient at or above the seventh-grade level. Additional skill development will include comparing and contrasting; finding theme or main idea and supporting details; literary and informational analysis; and vocabulary development.

<b>7610</b>	<b>Art 7</b>	Grade 7	Required	Semester
-------------	--------------	---------	----------	----------

Art 7 is studio-based and builds on concepts from Art 6. Students in Art 7 will continue to develop creative problem-solving skills by refining existing art skills. The fundamentals of drawing, painting, color theory, ceramics, sculpture, metalsmithing, printmaking, and information design will be examined. Emphasis will be placed on the Elements of Art and the Principles of Design, careers in art and design, a variety of art styles and art history/diversity, developing good craftsmanship, innovative ideas, caring for materials, and working well with others.

<b>7620</b>	<b>Health 7</b>	Grade 7	Required	Semester
-------------	-----------------	---------	----------	----------

Health 7 is designed to give the student the necessary life skills and health-related knowledge needed at this transitional time in their lives. This curriculum allows the student to begin to make important decisions that will not only make their lives healthier and more "well" but much happier and successful also. The course focuses on the seven dimensions of wellness and allows students to practice those life skills needed to make sound decisions in order to stay well. Students are given many opportunities to begin to take a more personal responsibility for the quality of their lives by seriously examining the choices that could eventually affect their lives. Specific skills such as communication, assertiveness, decision-making, problem-solving, writing goals, and caring about others are just a few of the skills intermingled throughout all of the content areas. Major content areas that are addressed include health/wellness, intellectual/emotional/social wellness, substance use/abuse, human growth and development and personal wellness.

<b>7700</b>	<b>Physical Education 7</b>	Grade 7	Required	Year - Alternate Days
-------------	-----------------------------	---------	----------	-----------------------

Physical Education 7 stresses team sports as well as lifetime activities. Emphasis is placed on participation and skill development. Teamwork, cooperation, fitness, and effort are all stressed at this level. There is a dress code requirement for class.

## Grade 7 Music Electives

<b>7900</b>	<b>Band 7</b>	Grade 7	Meets Music Requirement	Year - Alternate Days
-------------	---------------	---------	-------------------------	-----------------------

Band 7 is designed for students with one year of band experience. Students who wish to start a band instrument in the seventh grade must consult with the band teacher. Students are expected to attend summer lessons unless other arrangements have been made with the band instructor. Performances will include concerts and may include Saturday parades and opportunities for solo ensemble or jazz band experiences. Participation in performances will constitute part of the student's grade. This course has a dress code for all performances.

<b>7910</b>	<b>Chorus 7</b>	Grade 7	Meets Music Requirement	Year - Alternate Days
-------------	-----------------	---------	-------------------------	-----------------------

Chorus 7 is designed for students who have an interest and ability in singing and wish to further develop that ability. Much of the classroom rehearsal will emphasize developing healthy vocal technique, learning choral parts, and developing music reading skills. Students will meet every other day and will sing with other students of similar vocal range. Participation in concerts will constitute part of the student's grade. Opportunities may be available for participation in select ensembles, honors groups, and solo and small group singing. This course has a dress code for all performances.

<b>7920</b>	<b>Exploring Music 7</b>	Grade 7	Meets Music Requirement	Year - Alternate Days
-------------	--------------------------	---------	-------------------------	-----------------------

Exploring Music 7 is designed for students who do not wish to participate in band, orchestra, or chorus; and who wish to study music in a non-performance setting. No musical background is necessary. Class work may involve listening; reading and writing music; studying composers; and singing, playing and studying keyboard, guitar, or other instruments.

<b>7930</b>	<b>Orchestra 7</b>	Grade 7	Meets Music Requirement	Year - Alternate Days
-------------	--------------------	---------	-------------------------	-----------------------

Orchestra 7 is designed for students with one year of orchestra experience. Students who wish to start a string instrument in seventh grade must consult with the orchestra teacher. Students will learn more about key signatures and finger positions as well as work on more advanced music. There will be opportunities for solo and small group performances. Participation in concerts will constitute part of the student's grade. Seventh Grade Orchestra meets every other day with all string instruments. This course has a dress code for all performances.

## Grade 7 World Language Electives

<b>7500</b>	<b>French 7</b>	Grade 7	Meets World Languages Requirement	Semester
-------------	-----------------	---------	-----------------------------------	----------

French 7 is an introduction to the French language. Speaking, listening, reading, and writing activities are used to develop a beginning vocabulary. Dialogues, pair and group activities, songs, and games are an important part of the class. Students will learn about the geography, people, and cultures of the French-speaking world through the use of music, videos, and food. This course is the prerequisite to take French I in the 8<sup>th</sup> grade.

<b>7510</b>	<b>German 7</b>	Grade 7	Meets World Languages Requirement	Semester
-------------	-----------------	---------	-----------------------------------	----------

German 7 is an introduction to the German language. Speaking, listening, reading, and writing activities are used to develop a beginning vocabulary. Dialogues, pair and group activities, songs, and games are an important part of the class. Students will learn about the geography, people, and cultures of the German-speaking world through the use of music, videos, and food. This course is the prerequisite to take German I in the 8th grade.

<b>7520</b>	<b>Spanish 7</b>	Grade 7	Meets World Languages Requirement	Semester
-------------	------------------	---------	-----------------------------------	----------

Spanish 7 is an introduction to the Spanish language. Speaking, listening, reading, and writing activities are used to develop a beginning vocabulary. Dialogues, pair and group activities, songs, and games are an important part of the class. Students will learn about the geography, people, and cultures of the Spanish-speaking world through the use of music, videos, and food. This course is the prerequisite to take Spanish I in the 8th grade.
