* required

**student must be enrolled in Accelerated
Math to take courses

Student/Parent: Please follow the directions in the letter enclosed when completing this course selection worksheet.

All students must select **2-3 credits** of electives. This includes World Language, if interested.

An additional **1-2 credit** of alternate electives (back-up choices) must also be chosen.

X = desired elective A = desired alternate

All core classes (English, Math, Science, History) will be determined by assessment data and teacher recommendations.

Letters with selected cores will be mailed home in February.

Parent/Guardian Signature: _____ **Date:** _____

This completed form is due to your student's homeroom teacher no later than Friday, February 21.
