

LHS iPad Distribution

Grade 9 & New Students to LHS

Overview

It is our goal for students to have the school-owned iPad, case and charger prior to the first day of school; all Freshman and New students to LHS will have a scheduled time listed below to receive their iPad. As we need to provide information before distributing the iPads, each distribution time will begin with an informational meeting. After the informational meeting, iPads will be distributed and each student and parent/guardian will complete a brief iPad preparation checklist with assistance from LHS tech staff in the cafeteria.

If you have questions related to the iPad project please contact us at: lhsipadinfo@lancaster.k12.oh.us
Please make every effort to attend one of your scheduled times.
