Important Message: Most 8th grade math classes cover Algebra I skills. Our district's high school math class – Intermediate Algebra – covers the start of Algebra II. This is the class that MOST 9th grade students take and it is a graduation requirement. If you believe that you have completed this course content in 8th grade, you will need to take and pass Credit by Assessment to earn the required credit and be ready for Geometry in 9th grade. Please discuss your questions with a CPHS math teacher or school counselor.
