## Primary (K – 3<sup>rd</sup> Grade) Chaperone Guidelines

We have the following expectations for all parents who choose to chaperone a classroom field trip:

- Field trips begin and end at Franklin School. Subsequently, your supervisory duties conclude once all children safely return to Franklin School.
- Chaperones ride the school bus with the teacher(s) and students to and from the field trip destination.
- Chaperones are typically assigned a small group of children for which they will be responsible for the duration of the field trip.
- Chaperones shall escort their small group to and from the bathroom, and no child shall be out of a chaperone's sight during a field trip.
- Chaperone shall reinforce and model the Trojan Values of safe, respectful, and responsible behavior for the duration of a field trip. If you have difficulty with one of the students assigned to your small group, you shall solicit the assistance of the classroom teacher.
