| <u>CITY OF MENIFEE</u> |
| PW Inspector: _____ Date: _____ |
| Engineer: _____ Date: _____ |

The City of Menifee requires a licensed Professional Engineer / Licensed Land Surveyor to submit a **wet signed and stamped** final grading certification prior to the issuance of a certificate of occupancy and the final grading inspection will be done concurrently with the final inspection of the building.

Project Description: _____

Project Address: _____

Tract No. _____

Lot No. _____

Permit No. _____

I hereby certify the final grading for the above referenced project in accordance with my responsibilities under California Building Code appendix Chapter 33 and City of Menifee Ordinance Chapter 8.26. Grading has been completed in conformance with the City of Menifee approved grading plan(s) including: completion of required engineered or other drainage devices and retaining walls, location of property corners for proper building location and elevation of building finish floor, location and slope ratio for all manufactured slopes and construction of earthen berms and positive building pad drainage. In addition, all slopes are irrigated and planted in accordance with the grading notes and City of Menifee Ordinance Chapter 8.26.
