Classroom Conduct:

- All school policies will be enforced in Leadership. You are expected to behave in a manner that sets the highest standard for other Clear Lake High students – You are a LEADER.
- Remember, the leadership projects and activities are **your** responsibilities. It is my role to supervise, facilitate, and guide you - but I should not and will not be responsible for the project or activity being completed.
- Show Respect and Responsibility.
- When a speaker is up front facilitating a discussion or activity, you are expected to have your chair turned and facing the front, to stay seated and follow along (rather than engaged in private conversations or other activities, including eating.) You are also expected to raise your hand and wait to be called on.
- If you run out of tasks to do, you are expected to find something to work on. **You may NOT wander around the school.**
- Maintain a positive classroom environment— use clean, positive, and constructive language!
- It is important that the room is left clean when the bell rings. This means that posters are rolled up and stored, trash is picked up, paints are put away, etc.
- Remember, you are a representative of this school. Act in a positive manner at all times.
