MEET THE TEACHER

Mrs. Persek

I am thrilled to be your child's First Grade Teacher. This year will look different than prior years. Even though we won't be physically together in a school, we can still be a classroom family. I look forward to a fun, productive First Grade year with you.

SAY CHEESE!

MEET MY FAMILY

We may not have it altogether, but together we have it all.

I have been married for 12 years to my husband Erik who is a 6th grade teacher at Temescal Elementary School. I also have five children: Kaley (25), Kyle (22), Kassandra (19), Analise (9), and Blake (7). The three "biggs" are working on being adults and the two "littles" are going to be in fourth and second grade.

BACKGROUND

1st Grade is my favorite!

I first started teaching in 2006. I taught Kindergarten for two years and First grade for 13 years. I am excited to begin a new experience in the Virtual Classroom.
