# Welcome, Families!

Teacher Introduction

Mrs. Cammon- 1st Grade, B Track

I have been teaching for 15 years. I have taught Kindergarten and 1st.

My husband is basketball coach at CSULB.

I have three children in college.

I love teaching and impacting lives.

How is Remote Learning different from distance learning?

Attendance will be monitored.

Student work will be graded, and teacher will update in Q.

All teachers will utilize Google Classroom.

Teachers will provide standards-based instruction.

Daily academic activities.

At least 5 hours of direct online instruction per week

Classroom Procedures

Remote Learning: First grade team will work together to provide weekly homework packets. We will collect homework packets after two weeks and then hand out the next two weeks. Pick up and drop off schedule will be determined.

Full Physical Return to Classes: Completed homework will be collected each Friday and a new packet will be sent home same day.
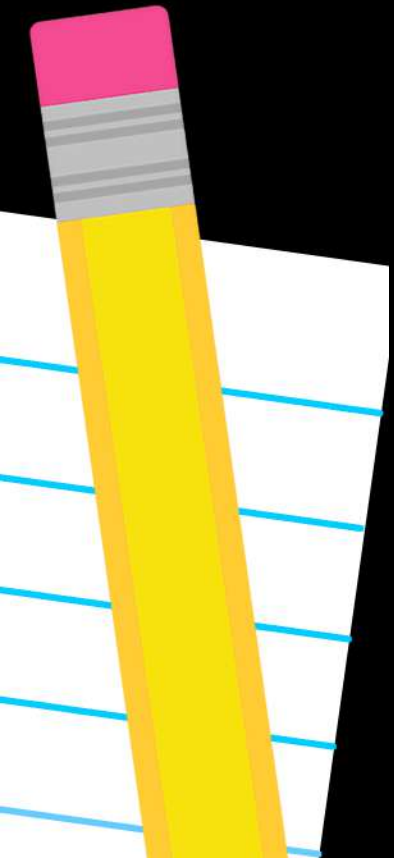

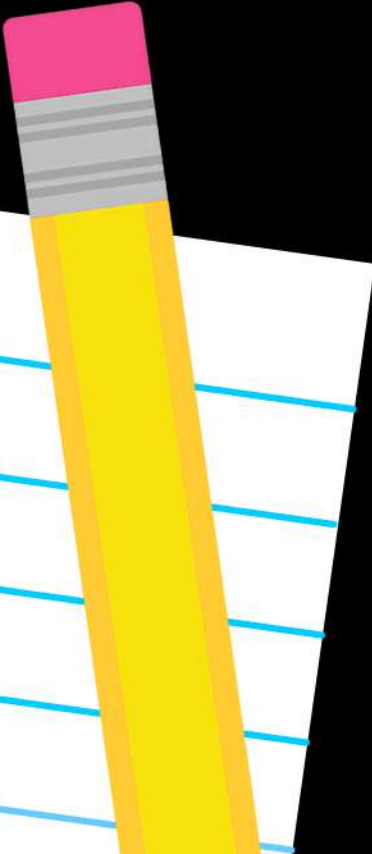

Our Daily Schedule...

Remote Learning:

I will hold Zoom meetings daily at 10:00. The time is subject to change as IEP, SST or trainings can occasionally conflict with scheduled time. I will let you know ahead of time if that should occur.

My Google Classroom will be updated every weekend. Students may access and work online whenever it's convenient for them.

Our Daily Schedule...

Full Physical Return to Classes:

8:00 Daily Warm Ups	8:15 ELD
9:00 Language Arts, Reading	9:30 Writing
10:00 Recess	10:15 Daily 5
11:00 Lunch	11:45 Math
1:00 Recess	1:15 Science/ Social Studies
2:10 Clean up, Walk Out	2:25 Dismissal
Library	Computer Lab

Wildcat Folders

Everyday, check the folder for graded classwork and tests. Please go over any incorrect answers. During the regular year, all new homework, important papers, notices and flyers will be sent home in this folder daily. It will be sent home each day and should be returned the following day.

next

Reading

Reading is considered part of the daily homework. Students should be reading everyday for 20 minutes.
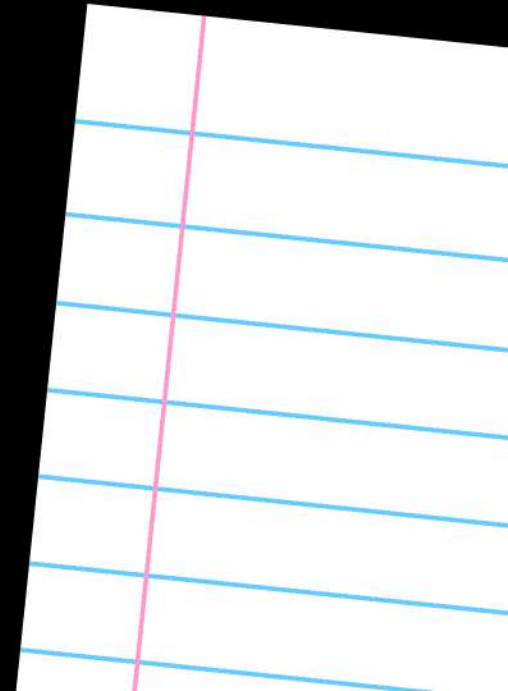

Supplies

In Pencil box:
-24 or 36 count crayons
-1 large eraser
- 4 glue sticks
- 3-4 Expo markers
- scissors
- highlighter
- 2 pencils

Class:
*2 packs of white
 copy paper
*1 box Band-aids
 *Clorox cleaning
*1 box of #2 pencils

***I encourage you all to get a
whiteboard for remote learning.

Language Arts

- We will use the Benchmark Advance reading program and integrate Social Studies and Science standards in both reading and writing. Instruction includes phonics, word recognition, fluency and print concepts. I will have guided reading groups to teach to their needs.
- First graders are expected to master their sight words.

Math

- We will use the Envision Common Core Math program. Units of study include addition and subtraction to 20, problem solving, place value, relationship between addition and subtraction, reading, writing and recognizing numbers to 120, time and measurement.

Science

In Science, first graders will be learning about plants, animals, habitats, weather, seasons and matter.

Social Studies

First graders will be learning about rules, laws, maps, symbols, long ago/today, and community helpers.

Specials Schedule

Computer lab

Library

Spelling

Spelling test will be given every week. The spelling words will focus on the phonics sounds that we are currently working on. The spelling words that are listed on the homework cover sheet can be used to practice.

tion

sion

Word Work

Sight words are words that all first graders are expected to know how to read by the end of the year. There are ten sight word lists. Each student is expected to pass at least one list per month. Students will be retested on all first grade sight words, even if they passed in kindergarten as many students forgot, memorized for a short time but did not master the list.

tion

Volunteers

Volunteers are happily welcomed. Please fill out the sign up sheet and I will create a volunteer calendar each month. When you arrive, you must have an id. and sign-in at the front office.

(This may change because of Covid.)
