Verify that the status says “Added” for the course that you registered for. If you waitlisted for a course, it will be listed at the bottom and say “Active” in the status.

My Class Schedule

- If you have officially been “Added” into a class, please print your class schedule and attach it to a green schedule change form so the counselor can adjust your schedule to accommodate your college course. Turn these forms in to the bins outside Mrs. Kretz’s (non-AVID students) and Mrs. Leigh’s (AVID students) offices.
- Keep in mind that a schedule change form should only be submitted if you are “Added” not “Active.” If you are waitlisted for a class, your schedule can not be changed until you are officially added.
- Please pay attention to the time frame of the class you signed up for and see how many periods at JFK that it may cover. It is easier to pick a college course that only goes through 1 period rather than 2 or more. This doesn’t mean that it cannot be done, but it is just harder to fit in your schedule.
- Friday courses are not recommended unless they are after school hours!

Your unofficial transcript will look like this. Make sure that your name is visible on the transcript when you turn it in to the registrar.

Withdrawing From A Class vs. Earning a D or F.

- While we usually do not recommend a student withdrawing from a class, sometimes it is a better option than earning a D or F on your transcript.
- Please pay attention to the dates to “Withdraw” from a class without a *W* and “Withdraw” from a class with a *W*.
- If you think that you are not doing well in a class and may not pass it, you can withdraw from the class to avoid earning a D or F grade. However, we hope that you would do your best to try to pass a class. Having multiple *W*s (3 or more) on your transcript will affect your GPA.
- If you are struggling in a class and think that you may not pass, please see Mrs. Kretz or Mrs. Leigh ASAP to help in your decision process of whether to withdraw.

Success at Norco College

- Please do not forget to fill out your Norco College registration form for every term and turn it in by the deadline. We will make numerous announcements reminding you of this deadline. Don't procrastinate!
- Make sure that you turn in the form yourself to Norco College Student Services.
- Ask for a receipt once this form is turned in and make sure you hold on to your receipt. If there is a discrepancy, this is the only proof that you have that this form was turned in.
- Take advantage of your free education while you have it. Taking Norco College classes is a privilege, so make sure that you keep your grades up at JFK and Norco College to ensure that you can keep taking classes.

Success at Norco College
