| For our last week, please choose a teacher/subject matter that you have learned about during distance learning this last term. Make a picture of something you learned in that subject or with that teacher and write a little bit about what you learned and why it stuck with you. Try to use one of the mediums or methods of art we did this term! Send your picture to me and to the teacher of your choice so they know what you enjoyed most this term! | Physical:<br>Student Choice Medium<br><br>Google Classroom:<br>Instructions | By the end of the week, please upload a picture of your project to google classroom and be sure to send it to your chosen teacher as well! |

**Week criteria for success (attach student checklists or rubrics):** Neat and complete composition which reflects a class or subject that you loved this term sent to the teacher who taught it to you! Make something you are proud of and that the chosen teacher will cherish!

**Supportive resources and tutorials for the week (plans for re-teaching):**
