

Grade 6

Distance Learning Module 10: Week of: 6/8/2020-6/12/2020

Grade 6 Orchestra - Strings

Targeted Goals from Stage 1:

Students continue to build their skills on their chosen instrument as well as their appreciation for music.

Content Knowledge: Note Reading, Rhythm Reading, Staccato, Slurs, Steady Tempo, Key Signature, Time Signature

Skills: Practice concert repertoire for fluency, utilizing the content/concepts from the method book and concert repertoire.

Expectation: Students should spend at least 15-20 minutes playing their instruments. Although the students need to practice to build their skills on their instrument, practicing an instrument in between their work in their other classes, keeps the brain active, allowing for better absorption and understanding of new material.

Description of Task (s):	Resources and Materials: (Internet Access, Instrument, Essential Elements method book, concert repertoire)	Daily Checks (Return to Google Classroom or snapshots from a cell phone)
Monday-Wednesday: Students will continue working on their solo piece for the end of year performance.	Essential Elements, page 46, #193*	Graded assignment from Essential Elements book due, Thursday, June 11 via video submission to Google Classroom.
Thursday: Students will continue working on their solo piece for submission today.	Essential Elements, page 46, #193*	Submit video recording of solo piece via Google Classroom.

* Will be a video assignment due in Google Classroom

Week criteria for success (attach student checklists or rubrics):

Supportive resources and tutorials for the week (plans for re-teaching):

- Essential Elements method book
- Concert Repertoire: Finale from Firebird, Morning Lights, Scarborough Fair, Pirates of the Caribbean, Bees are Boppin’
- I will provide recordings of each excerpt in the method book so students can hear and see the music being played, as well as have the option to play along to help with confidence, steady tempo, intonation, and rhythm.
- Students will continuously have the option to contact me via email, Google Classroom, or Google Hangouts with questions. They will also be encouraged to submit “check-ins” with their progress and/or questions.
