August 2022

Dear Parents and Students,

On behalf of the Hayfield Music Department, I want to welcome you to the 2022-2023 school year. I am excited to have you as a part of the program this year! I am looking forward to a fun year of music making, and hope all students are as well. After a summer away, I am positive that everyone is ready to get going on the next year of practicing, learning, and performing!

Students who take part in the band program at Hayfield are challenged to grow musically and encouraged to achieve their highest potential. In order for this to occur, students must respect their director, their fellow musicians, and their instruments.

In this handbook, you will find policies, procedures, and other important information regarding the Hayfield Community Schools Band program. Please take time to read this material. After you have read through the handbook, please discuss the rules and concert dates with your student.

I cannot wait to work and grow with you. Let's have a fantastic year!

Sincerely,

Mrs. Katherine Anderson

5-12th grade Band Director

CLASSROOM AND REHEARSAL EXPECTATIONS FOR ALL BAND STUDENTS

1. **Be On Time to Class!** *Students should be in the band room by the bell and in their seat with their instrument two minutes after the bell rings.*

2. **Get Rid of the Gum!** *No food, drink, gum, or candy is allowed in the band room without the director's permission.*

3. **Bring Your Stuff!** *Students must bring their instruments, their music, and a pencil to class every day. See p. 6 for instrument specific materials.*

4. **Take Care of Your Stuff!** *Students are held responsible for cleaning up after themselves and putting their equipment away at the end of every rehearsal.*

5. RESPECT!

- **Your Teacher!** *Please respect your teacher by not talking during rehearsals. If you have a question, please raise your hand and wait to be recognized. Questions need to be asked from your seats, not up at the director's podium.*
- **Your Classmates!** *Show respect to your band members at all times.*
- **OUR Equipment!** *Your instrument is for you to play and only you. Instruments are extremely expensive so students should never play each other's instruments. In addition, **ONLY PERCUSSIONISTS** should ever play the percussion instruments in the band room.*

6. **Turn in Written/Performance Homework!** *The year-long homework assignment for all Hayfield Band Students is to practice at home. Make sure you are practicing so you will receive successful grades on your performance and written assignments. Don't just practice to get it right, practice until you can't get it wrong!*

7. **Be Ready and Willing!** *When you walk into the band room, you should always be ready to work and willing to learn. We won't ask for perfection but will insist that you do your best every time we meet.*

8. **Have Fun!** *Being a part of band should be a fun experience for all students. If you try your best to meet the first 9 expectations, this last one will happen all by itself 😊*

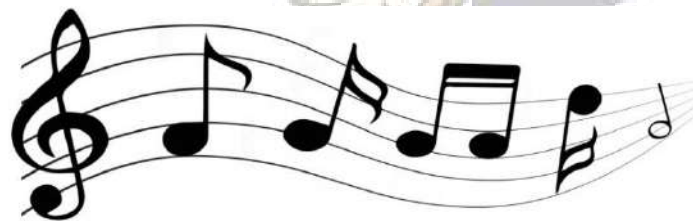

5th-8th Grade

Program Overview

The 5th grade band program consists of weekly lessons and full group rehearsals. Students will learn the fundamentals of playing their instrument, which will lay the groundwork for middle school and high school band. Students will be divided into small groups of like instruments for their weekly lessons. In addition to lessons, all 5th grade band students will meet once a week to play as a large group. Students will be introduced to ensemble playing and following the conductor during these weekly rehearsals. Concert music preparation will also take place during large group band. Tone production, posture, instrument care, and music literacy (rhythms/note/staff reading, listening, writing) are some of the many concepts and skills students will learn throughout the year.

Weekly small group lessons and full group rehearsals are also a part of the 6-8th grade band program. Students will meet for large group, 40-minute rehearsals on Tuesdays and Thursdays, and will receive an additional 20-minute weekly sectional on Mondays. Students are responsible for keeping track of and attending all lessons throughout the year. 6-8th grade students will learn and perform a variety of music and further develop music skills such as tone production and music literacy (rhythm/note/staff reading, listening, writing) throughout the year.
