

Hello Wonderful 3rd Grade Parents

Vanessa Murphy – (928) 266-3262 vanessa.murphy@bwcs.k12.az.us
Jenny Miller – (419) 551-4430 jenny.miller@bwcs.k12.az.us
Nicole Fiola- (626) 483-1497 nicole.fiola@bwcs.k12.az.us

Hello Fabulous Parents! First of all we hope that you are all doing well. We know that times are uncertain and trying, but we are here for you and your children. We have put together these assignments to help keep your children learning.

Our expectation is that some time is set aside each day for your children to work through the assignments that we have prepared for them. The assignments can be completed at their pace, however there is an assignment for each day. Students will have a reading, writing, and math assignment. All of their logins have been provided either through communication or on their actual computers.

We have kept the assignments to a couple of websites to make things easier for everyone. Your children have used or heard of all these websites in class, and should be familiar with them. If you go to the Blackwater Community School Website all of these sites are listed. This is the login where all websites are listed:

<https://www.bwcs.k12.az.us/mywork/mywork.html>

- Think Central- this is our reading curriculum
- Smarty Ants- Phonics and reading practice
- Mi Write- Writing activities and curriculum
- IXL- Math Practice
- Pearson Realize – Math practice
- Scholastic- Reading Resource

We know that these next few weeks are going to be difficult for everyone. We were talking the other day about how much we miss your children and being in our classroom families. You will have any contact information that you need to get ahold of us. Thank you for being patient and flexible.

The Third Grade Team
