

The background is a dark blue gradient with a starry texture. On the left side, there are several overlapping circular elements. A prominent one is a large circular scale with tick marks and numbers ranging from 140 to 260. Other circles are partially visible, some with dashed lines and arrows, suggesting a technical or scientific theme.

6.4 DISTRIBUTION OF NATURAL ENERGY RESOURCES

GLOBAL DISTRIBUTION IS..

- 
1. Not uniform
 2. Dependent on regions' geologic history

- For this map, we will add in labels and colors as the distribution of the different energy sources comes up in the other sections.
