Standards-Based Report Cards

History

2018 - *Elementary* K-6 Standards Based Report Card Committee formed begin reviewing standards for inclusion

2019 - Grade level creation and review of drafts of potential report cards

2020 - present- Pandemic halts process. Priorities become Covid impacts

2022 - District committee has reconvened

Process and Timelines

- **IT Considerations** - Report cards are built within our Student Information System. IT is a critical piece and impacts timelines. December cutoff for system rollover.
- **Collaborative process** - Standards based Report Cards has been a collaborative process with the teachers' union. This include formation of teacher committees and meetings for input
- **Pilot** - CNUSD prides itself on piloting new programs and processes to refine before full scale launch
- **Refinement** - Input from pilot will refine final report card
- **Training** - Standards based Report Cards will require teacher training on grading, online grade book and use of the new grading system
