

US History EL Week 5

Mr. Sundquist

Student Name:

U.S. History EL Period 5

Directions:

As we draw a close to this year, I will miss you all over summer and hope I get to see some of you in my class next year.

Your final assignment is to provide me a year in review. What topics did you like studying the most? What topics did you really not find an interest in. What projects stick out the most that you got to work on? What project would you get rid of if you could?

This should be about 1-2 pages double spaced. Just write a year in review. Tell me what your favorite stuff was and why. Make sure to email me or submit it in teams.
