

KITTY HAWK AIR SOCIETY TUTORS

C/ MSgt Crystal Smith

WHAT IS KHAS?

Kitty Hawk Air Society is a club of cadets within the unit who motivated and dedicated to tutor fellow cadets for academic achievement and success.

KHAS Preamble:

“We, the members of the Kitty Hawk Air Society (KHAS), in order to uphold academic standards and promote further interest in academic achievement, create a closer and more efficient relationship within the Junior Reserve Officers Training Corps (JROTC), serve the high school and community, support airpower in its role in national security, and develop patriotism and good citizenship, do hereby establish this constitution. We acknowledge our affiliation with the Air Force Association and will support their efforts to further aerospace education.”

WHERE DO I GO FOR HELP?

KHAS meets in S-15 every Tuesday.

Meetings will start 10 minutes after lunch begins and will not be announced. You are in charge of accountability.

You will be assigned a tutor there.

Tutoring with a cadet is based on the flexibility of your schedule.

You can get help before, during, or after school. It all depends on what works best for you.

WHO WILL TUTOR ME?

It depends on the subject. We have intelligent cadets that are capable of tutoring in several subjects.

Cadets will have to work with tutors in order to establish a date and time for tutoring sessions.

REMINDER: KHAS will not tolerate laziness. Tutors will provide cadets with help, not answers.

KHAS will respect any wishes to change tutors if needed.
