

Dear Parent,

Your child, while at school, uses a web-based computer software program called Renaissance Place. You are probably familiar with a portion of this software: Accelerated Reader. At this time we are excited to invite you to view your child's progress in Accelerated Reader using a program called Home Connect.

You can view Home Connect from any computer with an Internet connection using these browsers:

- Internet Explorer® 6.02 or later
- Firefox® 1.5 or later
- Safari™ 2.0.3 or later

Simply log in at: <http://ar.lee.k12.al.us/renaissanceserver/HomeConnect/Login.aspx>

The User Name and Password assigned to your child at school will allow you to view your child's progress toward their Accelerated Reader goals from your home or work computer! Your child uses this same User Name and Password each time they login to a computer at school, take an Accelerated Reader test, or STAR test, so they can provide you with the necessary information.

In Home Connect you can also:

- Click **Email Setup** to sign up to receive emails showing your student's quiz or test results.
- Click **Help** to get answers to your questions about Home Connect.

Thank you for interest and participation.
