How do I create a PowerSchool Parent Portal account? (For parents)

Parents may create an account on the PowerSchool Parent/Student Portal in order to view their student's grades, attendance information, report card and more.

Step 1) Refer to the Access Account information or parent letter provided by you school.

In order to create a new account you will need to have the **student's access ID** and password. The school will send you a letter with this access information.

Step 2) Navigate to the school's public login in your favorite web browser (Chrome, FireFox, Internet Explorer, etc.)

https://danbury.powerschool.com/public/home.html

Step 3) From the home screen, select the tab "**Create Account.**"

Step 4) Create *your own* username and password. This will be your new permanent user name and password.
