Madera Unified School District
How to Create a New Parent Portal

The Parent Portal account allows parents to update student demographics, complete the Data Confirmation, view attendance and grades for each of their students.

Use the following link to create a new Parent Portal Account.

*Select **Create New Account***

➢ Must select **Parent/Guardian** → NEXT

➢ Enter Parent Email and New Password (not your email password) → NEXT

ParentPortal22@maderausd.org will send you an email, please validate your entry by going to your email and select the **Click Here** to continue the registration process.

Return to Parent Portal Log in Page
Enter Your Email and Password Then → NEXT

Enter Student's Verification Information: if you do not have this information contact your child's school site or the **Registration Call Center** at *(559) 416-5858*
- Permanent ID Number
- Parents Primary Telephone Number
- Verification Code
