# Flexibility with Personal Pathway Requirements (PPR)

**Fine Arts** (1.0 credit)

**World Language** (2.0 credits)

*PPR courses prepare students for a specific post-high school career or educational outcome based on their HSBP. The flexibility of these 3.0 credits allows students to take other relevant preparatory courses that support their postsecondary goals.*

# Fitness Requirements

- 1.5 Fitness credits are required for students in the Puyallup School District
- If your pathway or career/educational plan prevents you from taking the 1.5 credits of fitness, you may be able to replace .5 or 1.0 fitness with another credit. To do this, you must pass an assessment related to physical health and fitness.
- More information will come soon as to when/where assessment will be taken.

\*If you need to replace 1.5 credits, you will have to work with the building principal and director of Health and Fitness
