A Message from the Director

On Wednesday, February 13, the California Council for Adult Education (CCAEE), Contra Costa County Chapter, honored teachers and support staff at the Pacheco Community Center. Acalanes Adult Education (AAE) is pleased to announce: Dr. Ellie Fisher, ESL Teacher, as a recipient for the Excellence in Teaching Award; Eric Dannewitz, Technology Assistant, as a recipient for the Excellence in Support Services Award; and Counseling Options and Parent Education (COPE) Family Support Center led by Executive Director and Founder, Cathy Botello, as a recipient for Friend of Adult Education.

On Tuesday, April 23, 2019 from 11am-12:30pm, AAE is pleased to offer our Annual Del Valle College, Career, Volunteering, and Resource Fair. Join us in room 401 where community colleges, 4-year universities, trade schools, community based organizations, and much more will be available to our students. For more information, please visit: <https://tinyurl.com/delvallefair>. For general College and Career Information, visit our website, www.acalanes.k12.ca.us/adulted, and click on the College/Career tab.

AAE and Diablo Valley College (DVC) continue building our partnership, providing opportunities for AAE students to bridge to DVC for a variety of certificate programs. Certificate Programs through DVC such as Business Information Worker, Computer Network Technician, Culinary Arts, and Early Childhood Education are just a sampling of offerings and/or continue to explore through this partnership. Please see pages 10-11 of this brochure for current course offerings.

If you would like to learn more about the Contra Costa County Adult Education Consortium, for which AAE is a member, please visit our website, www.acalanes.k12.ca.us/adulted, and click on the Adult Ed Consortium tab.

AAE continues to offer online registration, allowing students to enroll in classes and pay the course fees with Discover, Visa, or MasterCard. We encourage students to enroll early so that you reserve your space in a class that is popular, or keep a course from cancellation due to low enrollment.

New classes offered for Spring and Summer Terms include: Adventures in Creative Photography; Clown Basic 101; Exiting Your Family Owned Business; Harnessing the Power of Words; Italian Movies and Discussions; Jewish History; Making the most of your Sudden Wealth; Maps: An Atlas in your Pocket; Messages and More; Native Americans of the United States; Poetry and the Visual Arts; The Tone Poem: Inspired by Nature; Art and Literature; Yoga for Caregivers; and Watercolor Lab.

For additional information on our programs at AAE, you may visit our website, www.acalanes.k12.ca.us/adulted/ for the most current course offerings, as well as online registration. I look forward to seeing you in our classes during the Spring Term as you "Explore, Experience, Learn!"

Sincerely,

Steven France, Director

Tobacco Free School District

Acalanes Union High School District has a tobacco-free district/workplace environment policy. California Health & Safety Code Section 24167 requires that **all school districts** receiving Tobacco Use Prevention Education Funds adopt a tobacco-free policy. Current policy prohibits the use of tobacco on school property owned, leased or rented and within all school vehicles in order to provide a tobacco-free environment.

Uniform Complaint Procedures (5 Ccr §4622):

The district is required to annually notify parents, pupils, employees, district and school advisory committees and other interested parties in writing of its required Uniform Complaint Procedures. A copy of the district's policy and form is available upon request.

Poetry and the Visual Arts - 7 Classes N ☀️

There has long been a tradition of poets commenting on art, and visual artists borrowing subjects from poets. Poetry and the Visual Arts (drawing, painting and sculpture) teach us to look closer at our world and at ourselves. We will explore the overlapping of these two art forms. Writers will have a chance to explore ekphrastic writing in response to viewing art, while artists will discover a rich vein of inspiration in written words. We'll also venture into the philosophy of aesthetics to help answer the questions: what is art? what is beauty? what does art tell us about the human condition?

Restorative Yin Yoga **N**

This class combines the benefits of two yoga styles: Yin and Restorative. In nature, Yin and Yang are complementary forces: Yang is described as dynamic and Yin as passive. Yin Yoga can be thought of as a means to balance the more dynamic aspects of our lives. Restorative poses are subtle and aimed to encourage: the release of tension, deeper breathing and a sense of "letting go". Instructor: Lewis

Sikhism and Judaism: Separated at Birth?

A PowerPoint Presentation by Ken Blady, M.A., and Amrik Singh Pannu, M.A. - 1 classes

The Sikh faith was founded in the late fifteenth century in the Punjab, NW India, by Guru Nanak, who preached tolerance and equality for every person, regardless of caste, religion, or gender. Sikh strict monotheism originated as a reaction to Hindu idol worship and the caste system; the martial traditions and cult of martyrdom are a consequence of Islamic Mughal fanaticism and cruelty. Like the Jews the Sikhs lost their kingdom, and have long struggled to re-establish an independent homeland, for which their people have been massacred in the hundreds of thousands. The Sikhs have much in common with ultra-Orthodox Jews. Nonetheless, there are marked differences between Sikhs and Jews. Sikhs practice cremation, are strict vegetarians, and the men are not circumcised.

Adult Secondary Education

The **Acalanes Adult Education (AAE)** offers the full range of high school classes needed to acquire a high school diploma. The program is approved by the California Department of Education; however the courses do not meet the University of California A to G requirements.

AAE high school diploma and GED preparation classes are offered during the traditional academic year starting September 10, 2018 and ending June 6, 2019. Classes offered include the required areas of English, Social Science, Life and Physical Science, Mathematics, Fine Arts, Languages and Electives. Some elective credits may be granted for work experience. Prospective students must obtain official copies of transcripts for all academic work previously completed so that a realistic and accurate plan can be created to work toward a diploma or to prepare for the GED examination. Classes are scheduled late afternoon or evening to meet the needs of students who work during the day. Students need to commit six hours per week for each class, instructional lab and homework in order to make reasonable progress toward a diploma to graduate.

AUHS students must register for Intersession and/or Summer School. AAE classes are open to concurrently enrolled high school seniors for graduation credit only when they have previously failed the course.

Credit Towards a Diploma

All high school diploma classes are approved by the CA Department of Education, and courses meet the graduation requirements of the Acalanes Union High School District. To determine what previous academic work counts toward the required units and to make a plan to complete work to receive a diploma, the student must call for an appointment. The student must obtain transcripts of all work done prior to making an appointment. The student may receive credit for previous high school work, military service and work experience.

GED and Test Preparation - Call to Register

AAE offers a GED preparation class for adults who choose an alternative to earning a traditional high school diploma. Students will focus on the GED Curricular Areas: Language Arts, Math, Science, and Social Science. With online and classroom instruction, students work at an individual pace to learn the curriculum. A GED textbook is available to complement the class. While AAE is not a GED Test Center, students may register on line at GED.com and select a test location within Contra Costa County. 015820 W, Th 4/10-6/5 6-9pm Rm 110 No Fee

MISSION STATEMENT

AAE strives to help students achieve secondary education skills in a supportive instructional program where a student can work individually in a school setting. It provides an opportunity to achieve competency in secondary skills and provides an option for students who have not been able to meet high school graduation requirements.
