HEARING SECTION

There were no speakers during the Hearing Section.

Keith Nuthall, Principal-Odyssey STEM Academy and Becky Perez, Dean of Students provided the Board with information on Odyssey STEM Academy.

The Goal of Odyssey STEM Academy is

Share a Vision:

- An equitable education for all
- An inclusive, culturally-connected community
- Knowing learners well, both as scholars and as individuals
- Learners using their minds, hands, and hearts well
- Learning taking place beyond the school walls

Odyssey STEM Academy's Mission:

Odyssey STEM Academy empowers learners by awakening their curiosity and passion to transform themselves and the world.

Mr. Nuthall invited the Board and Superintendent Pérez and Executive Cabinet members to join him and Mrs. Perez to participate in a hands-on activity to experience design thinking first hand. Design Thinking is human-oriented approach to design developed by Stanford's School of Design where designers focus on the needs of the user in order to develop a solution that best meets their unique needs. The Design Process has five elements: empathy, ideate, define, prototype, and test. Participants experienced the process through the design of a wallet for each other.

Mr. Nuthall further shared the following:

An Equitable Education for All:

- Single Pathway
- Shared students
- Variable time
- Flexible space

Time	Learning
60 Minutes	Advisory
90 Minutes	STEM Studio
90 Minutes	Humanities Studio
90 Minutes	Applied Math Studio
30 Minutes	Advisory

Knowing Learners Well

- Advisory
- Standing meeting
- Student Assistance Team
- Family engagement

An Equitable Education for All

- Authentic
- Learner-centric
- Leaving to learn
- Family engagement

Equity

Our community of learners celebrates the uniqueness of each individual and provides equitable access to programs and opportunities while promoting academic and social-emotional well-being for all.
