X. HEARING SESSION/STAFF REPORTS

A. Board Comments:

Steve DeMarzio – Nancy, I know you and your staff are offering quality meals to our students. Tom, it's great that your goal is all students attend high school. Anaverde Hills, I appreciate your strategic plan on moving forward with a young and energetic staff. On 14 Feb, this country suffered another mass shooting. I think we need to look at root causes rather than addressing the symptoms. What is poisoning the minds of some of our youth? What causes human beings to take the lives of other human beings, even fellow classmates? Do we need to do deeper background checks with access to health records when buying certain firearms? Do we give mental health professionals, parents, and others the authority to report red flags to law enforcement with no retribution?

Jennifer Navarro – Great job to everyone this evening. Child Nutrition, I see you have a lot of students to feed. Mr. Morreale, great job to you as well. I love that Westside has an alternative learning environment where students can feel successful. Anaverde Hills, I remember your presentation from last year, you do feel like a family. I commend all of you for being a positive and happy example to your students. I love your positive phone calls home; as a parent, you want to hear the positive comments about your children. This makes a big difference. Keep up the great work.

Linda Jones – I am glad to be back, thank you for your well wishes. I want to join in with Jennifer's comments. Child Nutrition, I am glad to see we added breakfast at our sites; that makes a difference in the start of school for students. Anaverde Hills, kudos to you as you mourn the loss of staff, you keep giving our students 100%. Please continue to do a great job for our students.

Patricia K. Shaw – Nancy, thank you for answering the question about the debt from unpaid lunches. I wouldn't want any child to go hungry. Mr. Morreale, your students were excellent in their presentation, I can't say enough. Jake, Shannon and Korina, those students will never know how much they have at Anaverde Hills, thank you.

John Curiel – Thank you, Nancy and Monica, for doing a great job with child nutrition. I enjoyed touring your program. Mr. Morreale, I see your students are very excited about your program. I am happy to see you want to expand the program. Anaverde Hills, your presentation was great. You have come together and turned your behavioral program around. The Florida shooting is the 18th tragedy that has happened at schools this year. We need to have the discussion with our elected officials. This is the greatest country on earth; we need to do something and get involved. I pray our leaders will start solving problems.

BOARD AGENDA

March 6, 2018

TO: BOARD OF TRUSTEES

PREPARED BY: Regina L. Rossall, Superintendent

SUBJECT: Board Policy and Administrative Regulation 1230, School-Connected Organizations –
Second and Final Reading

BACKGROUND:

This policy and regulation clarifies the relationship between the district and school-connected organization, such as booster club, parent-teacher organization or other nonstudent organization. The policy establishes organizations as separate legal entities subject to their own bylaws and rules and/or subject to their parent organization, delegates the responsibility to approve organizations' fundraisers to the superintendent or designee, and reflects legal requirements that donations and participation in fundraising activities be voluntary. It also clarifies that all school-connected support organizations shall be conducted based on law, Board policies, administrative regulations and site rules of the sponsoring school. The regulation gives authority to the district to revoke an organization's authorization to conduct activities in the district when necessary, and rules to maintain the organization's status as a separate entity from the district based on recommendations in the Fiscal Crisis and Management Assistance Team's guidebook updated in 2015.

Board Policy - NEW

School-Connected Organizations

Community Relations

BP 1230(a)

The Governing Board recognizes that parents/guardians and community members may wish to organize school connected organizations such as parent teacher associations aligned with the California State PTA or other parent-teacher organizations for the purpose of supporting the district's educational and extracurricular programs. The Board appreciates the contributions made by such organizations toward the Board's vision for student learning and for providing all district students with high-quality educational opportunities.

(cf. 0200 - Goals for the School District)

A school-connected organization, including a booster club, parent-teacher association or organization, or other organization that does not include an associated student body or other student organization, shall be established and maintained as a separate entity from the school or district. Each school-connected organization shall be subject to its own bylaws and operational procedures or to the rules or bylaws of its affiliated state or national organization, as applicable.

In addition, activities by school-connected organizations shall be conducted in accordance with law, Board policies, administrative regulations, and any rules of the sponsoring school.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 3290 - Gifts, Grants and Bequests)

(cf. 3554 - Other Food Sales)

(cf. 5030 - Student Wellness)

(cf. 6145 - Extracurricular and Co-curricular Activities)

(cf. 6145.2 - Athletic Competition)

The Superintendent or designee shall establish appropriate rules for the relationship between school-connected organizations and the district.

BOARD AGENDA

March 6, 2018

TO: BOARD OF TRUSTEES
PREPARED BY: Lisa Jehlicka, Director of Business Services
SUBJECT: 2017-2018 Second Interim Report

BACKGROUND:

Annually the district is required to publish a Second Interim Financial report on or before March 15th. This report is based upon the first seven months of the fiscal year in terms of actual revenues and expenditures. These amounts are used, along with assumptions, to project how the District will end our fiscal year, both in terms of budget and in terms of cash flow. The Multi-Year Projection section of this report projects the ending financial position for the two future fiscal years in addition to the current year. The County Office of Education is then required to review and report to the District by April 15, 2018, whether or not they concur with the District's certification. The District has three options to certify as to the current and two future years with this report. We can certify that the District **will be able to** meet its financial obligations (**positive certification**); that the District **may not be able to** meet its financial obligations (**qualified certification**); or that the District **will not be able to** its financial obligations (**negative certification**).

At this time, the Board is being asked to approve a **positive certification** for the Second Interim Financial Report.

PROGRAM/EDUCATIONAL IMPLICATION:

A positive certification indicates that the District will be able to meet its financial obligations in the current and two future years.
