**Information &
Discussion Items:**

10.1 Administrative & Business Services: None.

**Hearing of
Delegations**

11. Lulu Flores has been in Tracy Unified 28 years. She is the attendance clerk at Williams Middle School. She feels morale is low. She doesn't think the custodian positions are working out. She complained of bugs in the classroom that are not getting taken care of. She wants more full time custodians because she doesn't think there is enough time to clean classrooms. She also feels they need another parent liaison, counselor and more staff in the office. She also feels that Special Ed is hurting too and needs more help in their classrooms.

Shabhana Akbari is a student here to talk about combining the two lunches at West High. She is a Sophomore and thinks it's a bad idea because there are too many students. Some students take food in class because the line is long and there's no time to eat. There are 4 security guards and she thinks we would need double to ensure safety. Students will have more time to get in trouble and there won't be enough seats especially on rainy days. She wants to keep 2 lunches.

Julie Wimberley is a resource specialist at Kimball High. She emailed the board regarding issues and minimal progress at the bargaining table. She is concerned about the future of the special ed programs. Teachers were told that the state was changing the model. They were excited about the possibilities but nothing has taken place this year. The State said we need to comply or we will owe a fine, however there is no committee or collaboration to set up these programs. As a union rep she is able to speak with many of the teachers. She is asking to set up a committee of stakeholders as soon as possible.

Mercedes Silveira is here as a representative of the Reaching for the Stars Foundation. She thanked Troy Brown, Dr. Stephens and Dr. Harrison for their efforts in having TUSD students participate in the Science Blast program. She gave out several certificates for various people and groups and thanked them for their support.

BUSINESS SERVICES MEMORANDUM

TO: Dr. Brian Stephens, Superintendent
FROM: Dr. Casey Goodall, Associate Superintendent for Business
DATE: May 17, 2018
SUBJECT: **Receive Report on the 2018-2019 Annual School District Budget & the 2018-19 annual revision to the 2017-2020 LCAP**

BACKGROUND: Education Code Section 42127 requires that:

42127. (a) *On or before July 1 of each year, the governing board of each school district shall accomplish the following:*

- (1) *Hold a public hearing on the budget to be adopted for the subsequent fiscal year. The agenda for that hearing shall be posted at least 72 hours prior to the public hearing and shall include the location where the budget will be available for public inspection.*
- (2) *Adopt a budget. Not later than five days after that adoption or by July 1, whichever occurs first, the governing board shall file that budget with the county superintendent of schools. That budget, and supporting data, shall be maintained and made available for public review. ...*

(b) *Commencing with budgets adopted for the 2015–16 fiscal year, the governing board of a school district that proposes to adopt a budget, or revise a budget pursuant to subdivision (e), that includes a combined assigned and unassigned ending fund balance in excess of the minimum recommended reserve for economic uncertainties adopted by the state board pursuant to subdivision (a) of Section 33128, shall, at the public hearing held pursuant to paragraph (1), provide all of the following for public review and discussion:*

- (i) *The minimum recommended reserve for economic uncertainties for each fiscal year identified in the budget.*
- (ii) *The combined assigned and unassigned ending fund balances that are in excess of the minimum recommended reserve for economic uncertainties for each fiscal year identified in the budget.*
- (iii) *A statement of reasons that substantiates the need for an assigned and unassigned ending fund balance that is in excess of the minimum recommended reserve for economic uncertainties for each fiscal year*

that the school district identifies an assigned and unassigned ending fund balance that is in excess of the minimum recommended reserve for economic uncertainties, as identified pursuant to clause (ii).

*(c) The county superintendent of schools shall do all of the following:
Examine the adopted budget to determine whether it complies with the standards and criteria adopted by the State Board of Education pursuant to Section 33127 for application to final local educational agency budgets. The superintendent shall identify, if necessary, any technical corrections that must be made to bring the budget into compliance with those standards and criteria. (2) Determine whether the adopted budget will allow the district to meet its financial obligations during the fiscal year and is consistent with a financial plan that will enable the district to satisfy its multiyear financial commitments.*

(3) (e) On or before September 8, the governing board of the school district shall revise the adopted budget to reflect changes in projected income or expenditures subsequent to July 1, and to include any response to the recommendations of the county superintendent of schools, shall adopt the revised budget, and shall file the revised budget with the county superintendent of schools. Prior to revising the budget, the governing board shall hold a public hearing regarding the proposed revisions, to be conducted in accordance with Section 42103. The revised budget, and supporting data, shall be maintained and made available for public review.

42127.6 The county superintendent shall review and consider studies, reports, evaluations, or audits of the school district that contain evidence that the school district is demonstrating fiscal distress under the standards and criteria adopted in Section 33127 or that contain a finding by an external reviewer that more than three of the 15 most common predictors of a school district needing intervention, as determined by the County Office Fiscal Crisis and Management Assistance Team, are present. If these findings are made, the county superintendent shall investigate the financial condition of the school district and determine if the school district may be unable to meet its financial obligations for the current or two subsequent fiscal years, or should receive a qualified or negative interim financial certification pursuant to Section 42131.

District Policy 3100, Budget, states that the Governing Board accepts responsibility for adopting a sound budget for each fiscal year which is aligned with the district's vision, goals, and priorities.

RATIONALE: In January of 2018, Governor Brown proposed the California State Budget for 2018-19. Because the State of California is the greatest source of funds for Tracy Unified School District operations, the Governor's January budget proposal is a key source of information for planning. His budget plan was revised in early May, but the

budget itself has not yet been adopted by the California Legislature, but is not likely to change in any significant way.

Reserves for economic uncertainty are held at higher levels than recommended by the state board pursuant to subdivision (a) of Section 33128. These reserves are intended to meet the requirements of Education Code 42137.6 that a district demonstrate an ability to meet its financial obligations for the current or two subsequent fiscal years.

FUNDING: Given the budgeting guidelines offered by SJCOE, the ending balance from the 2017-18 school year is projected to be adequate to meet the planning obligation for the 2018-19, the 2019-20, and the 2021-21 school years. Therefore, the proposed budget complies with Education Code Section 33127 which sets forth standards and criteria to be reviewed and used by local educational agencies in the development of annual budgets and the management of subsequent expenditures from that budget. The proposed budget will allow the district to meet its financial obligations during the fiscal year, and to satisfy its multiyear financial commitments.

RECOMMENDATION: Receive Report on the 2018-2019 Annual School District Budget & 2018-2021 LCAP.

BUSINESS SERVICES MEMORANDUM

TO: Dr. Brian Stephens, Superintendent
FROM: Dr. Casey Goodall, Associate Superintendent for Business Services
DATE: May 30, 2018
SUBJECT: **Ratify Routine Agreements, Expenditures and Notice of Completions Which Meet the Criteria for Placement on the Consent Agenda**

BACKGROUND: To be valid or to constitute an enforceable obligation for or against the district, education code 17604 requires that all contracts must be approved and/or ratified by the board of trustees. This requirement is met in several different ways, depending on the value of the requisition, the types of services or materials being procured, the value of the fee, dedication, services or other requirements being offered to or by the District and the advance notice staff has in procuring the services or materials; or the timing required to negotiate the agreement on behalf of the District. Routine requisitions less than \$5,000 are ratified on the consent calendar when the board approves the warrants list. Except when specific exceptions are detailed in board policies and procedures, requisitions greater than \$15,000 are submitted as action items for board pre-approval. Also, Special Services and advice in financial, accounting, engineering, legal or administrative matters pursuant to Government Code 63060 meet the requirements.

Routine requisitions between \$5,000 and \$15,000, and requisitions greater than \$15,000 which meet specific criteria, may be ratified on the consent calendar by board approval of a summary list, more detailed than the warrants listing. This may also include ratification of "Notice of Completion" of construction projects.

RATIONALE: The attached summary of these requisitions with related support documentation details financial obligations greater than \$5,000 but which meet the criteria to be ratified in this format. The summary is organized alphabetically so that the project's back-up material is identified with the same letter in the lower left hand corner.

FUNDING: Per attached summary of requisitions.

RECOMMENDATION: Ratify Routine Agreements, Expenditures and Notice of Completions Which Meet the Criteria for Placement on the Consent Agenda.

BUSINESS SERVICES MEMORANDUM

TO: Dr. Brian Stephens, Superintendent
FROM: Dr. Casey Goodall, Associate Superintendent for Business Services
DATE: June 1, 2018
SUBJECT: **Ratify Measure B Related Expenditures and Notice of Completions Which Meet the Criteria for Placement on the Consent Agenda**

BACKGROUND: To be valid or to constitute an enforceable obligation against the district, education code 17604 requires that all contracts must be approved and/or ratified by the board of trustees. This requirement is met in several different ways, depending on the value of the requisition, the types of services or materials being procured, and the advance notice staff has in procuring the services or materials. Routine requisitions less than \$5,000 are ratified on the consent calendar when the board approves the warrants list. Except when specific exceptions are detailed in board policies and procedures, requisitions greater than \$15,000 are submitted as action items for board pre-approval. Also, Special Services and advice in financial, accounting, engineering, legal or administrative matters pursuant to Government Code 63060 meet the requirements.

Routine requisitions between \$5,000 and \$15,000, and requisitions greater than \$15,000 which meet specific criteria, may be ratified on the consent calendar by board approval of a summary list, more detailed than the warrants listing. This may also include ratification of "Notice of Completion" of construction projects.

RATIONALE: The attached summary of these requisitions with related support documentation details financial obligations greater than \$5,000 but which meet the criteria to be ratified in this format. The summary is organized alphabetically so that the project's back-up material is identified with the same letter in the lower left hand corner.

FUNDING: Per attached summary of requisitions.

EDUCATIONAL SERVICES MEMORANDUM

TO: Dr. Brian R. Stephens, Superintendent
FROM: Dr. Sheila Harrison, Associate Superintendent of Educational Services
DATE: May 18, 2018
SUBJECT: **Approve the Advancement Via Individual Determination (AVID), Implementation Agreement between TUSD and the AVID Center for Kimball High School, Tracy High School, West High School, George Kelly School, Monte Vista Middle School, Poet-Christian School, and Williams Middle School for the 2018-19 School Year**

BACKGROUND: Tracy Unified School District has implemented Advancement Via Individual Determination (AVID) since 2002. Each school year, the District must contract services from the AVID Center, a California non-profit corporation. Tracy Unified School District has six AVID member schools: Kimball High School, Tracy High School, West High School, George Kelly School, Monte Vista Middle School, Poet Christian School, and Williams Middle School. Over the years, the AVID program participants have demonstrated greater high school graduation rates and college acceptance rates than their non-participating peers.

RATIONALE: AVID is a college readiness system for elementary through higher education that is designed to increase school-wide learning and performance. The AVID College Readiness System (ACRS) accelerates student learning, uses research-based methods of effective instruction, provides meaningful and motivational professional learning, and acts as a catalyst for systemic reform and change.

To implement the AVID program, Tracy Unified School District agrees to pay AVID Center an annual membership/license fee per participating school site offering the AVID program. Membership includes a license to use the AVID trademarks to promote the implementation of the AVID College Readiness System, to use and implement the AVID Methodologies, and to copy the student activity sheets from the AVID Materials. Implementation of the AVID program will meet District Strategic Goal #1: Prepare all students to be well-rounded individuals with the knowledge and skills to pursue their college and/or careers; and District Strategic Goal #2: Hire, support, develop, train, and sustain District employees who create a singleness of purpose focused on maximizing students' academic, social, and emotional potential.

FUNDING: Funding not to exceed: \$33,659.00. LCFE Targeted funds for AVID will continue to be provided to support implementation of the AVID program.

RECOMMENDATION: Approve the Advancement Via Individual Determination (AVID), Implementation Agreement between TUSD and the AVID Center for Kimball High School, Tracy High School, West High School, George Kelly School, Monte Vista Middle School, Poet-Christian School, and Williams Middle School for the 2018-19 School Year.

EDUCATIONAL SERVICES MEMORANDUM

TO: Dr. Brian R. Stephens, Superintendent
FROM: Dr. Sheila Harrison, Associate Superintendent of Educational Services
DATE: May 22, 2018
SUBJECT: **Approve Agreement for Special Contract Services with Give Every Child A Chance to Provide Afterschool Tutoring at Wanda Hirsch Elementary School for the 2018-2019 School Year**

BACKGROUND: As part of the Hirsch school plan evaluation, this year, staff and School Site Council determined that there is a critical need for helping at-risk students by providing additional after school tutoring. Site Goal #1 states that all students will meet grade level standards with a focus on closing the achievement gap. Additional options for after school tutoring have been explored. Give Every Child a Chance (GECAC) is a non-profit organization, which has applied for and received donations and grants, which fund the program. This past school year, GECAC provided tutoring services after school to Hirsch students. The tutors are middle and high school students, with parent permission. The students receiving tutoring are students identified by their teacher as those in danger of failing. The curriculum used will be provided by each student's classroom teacher. A communication log will be used between the tutor and teacher to ensure the student is progressing. This Agenda request supports District Strategic Goal #1: Prepare all students to be well-rounded individuals with the knowledge and skills to pursue their college and/or careers.

RATIONALE: The staff at Hirsch Elementary believes that Give Every Child a Chance does help struggling students. This one-on-one tutoring program is not only welcomed, but is greatly appreciated. By giving at-risk students additional intervention, they feel more confident, and perform better in the classroom. Most Hirsch teachers are not able to provide after school tutoring.

FUNDING: There is no cost to the District. Funding is provided through Give Every Child a Chance, a non-profit organization.

RECOMMENDATION: Approve Agreement for Special Contract Services with Give Every Child A Chance to Provide Afterschool Tutoring at Wanda Hirsch Elementary School for the 2018-2019 School Year.

DATE: May 22, 2018
SUBJECT: **Approve Overnight Travel for the 2018-2019 West High School Yearbook Staff to Attend Yearbook Camp at University of the Pacific in Stockton, CA on July 17-20, 2018**

BACKGROUND: Each year, a new group of students take over as staff of the yearbook, responsible to produce a memorable yearbook for the entire student body at West High School. This yearbook camp incorporates 4 days of planning, training and bonding for students. The yearbook staff's attendance is critical to the development of the book and gives students an understanding of how crucial their participation is and how seriously they must commit to producing this yearbook. Students will completely design the yearbook to start the new school year. Yearbook Advisor, Mrs. McCoy will drive four students in a District van to University of the Pacific. Mrs. McCoy and the students will stay in dorm rooms while at the camp. During the camp, students will not be allowed to leave campus at any time. Mrs. McCoy will chaperone the students during their stay at the University of Pacific.

RATIONALE: This camp is an extremely important bonding experience for the yearbook staff. It creates ownership and buy-in for a product that costs thousands of dollars to produce and requires a great deal of dedication and responsibility. The training at camp is unique and provided by professional yearbook advisors from the Herff-Jones Company. The camp is smaller than most other camps and provides more quality individual time to train each student. This Agenda request meets District Strategic Goal #1: Prepare all students to be well-rounded individuals with the knowledge and skills to pursue their college and /or careers.

FUNDING: The total estimated cost for transportation, registration and lodging is \$300 per person. The ASB yearbook account will pay the expenditures for the cost to attend the camp.

SUBJECT: **Approve Agreement for Special Contract Services with AccuTrain Corporation to Provide Professional Development on Responsibility Centered Discipline to Administrators, Teachers and Classified Staff at South/West Park School for the 2018-2019 School Year**

BACKGROUND: Discipline data including suspensions and expulsions have become a topic of discussion in education. As a District, there has been a renewed focus on instructional practices and ensuring all students have access to the curriculum. When students are suspended, they are missing opportunities to learn, students and educators need to be provided with a Roadmap to Responsibility. As part of the South/West Park Elementary School Plan Evaluation this year, the school administration determined that there is a critical need to train educators how to help students take responsibility for their behavior by closing different “exits” or escape routes students might take instead of taking responsibility for their actions. The School Site Council approved a total of \$17,350 of Title I funds to be used to provide training at South/West Park School during the 2018-2019 school year.

RATIONALE: Larry Thompson, Angela Thompson and Erick Clark of AccuTrain will provide professional development on Responsibility Centered Discipline to administrators, teachers and classified staff to develop a plan for roll out in the 2018-2019 school year. Instruction will take place before school begins, during the fall and again in the spring. This Agenda request supports District Strategic Goal #1: Prepare all students to be well-rounded individuals with the knowledge and skills to pursue their college and/or career goals and District Strategic Goal #2: Hire, support, develop, train, and sustain District employees who create a singleness of purpose focused on maximizing student’s academic, social and emotional potential.

FUNDING: The total cost of this program is \$17,350. Site Title 1 funds will pay the expenditures for the cost of these services.

EDUCATIONAL SERVICES MEMORANDUM

TO: Dr. Brian R. Stephens, Superintendent
FROM: Dr. Sheila Harrison, Associate Superintendent of Educational Services
DATE: May 16, 2017
SUBJECT: **Approve Agreement for Special Contract Services with the Boys & Girls Clubs of Tracy to provide After School Services (iREAD! - Additional Time for EL's and SES students) and Structured Activities during Lunch Recess at South/West Park School during the 2018-2019 School Year**

BACKGROUND: The Boys & Girls Club of Tracy has been providing after school services in the community at school sites for over 20 years. For the last 10 years, the Boys & Girls Club has been operating an afterschool program at South/West Park. Due to the success of the program, South/West Park Staff wishes to continue the association with the Boys & Girls Club as they can provide after school services the regular school program cannot. They also provide the computer lab time for 1st-2nd grade students to receive additional time in iREAD! This provides English Learners additional time in the iREAD! program to support their reading skills. Additional resources are being included for students' social emotional needs through the Boys & Girls Club next school year. They will be sponsoring structured activities where students will play games during lunch recess with Boys & Girls staff to model proper ways of playing with others and making friends through activities. Additionally, this will help build positive relationships with Boys & Girls Club staff during the school day; which will transfer to after school programs. We have seen an increase in inappropriate behavior during lunch recess and students not knowing how to properly make friends and play. These structured activities will support necessary behavioral skills; which lead to decreased referrals during that recess.

RATIONALE: Students and parents have requested after school activities be provided on school campus for the 2018-2019 school year. Students are exposed to peer and social issues including bullying. The Boys & Girls Club at South/West Park offers a safe place for students to attend that provides a wealth of after school activities that are positive, team building and community oriented. A safe environment must be provided where students can learn, so they can discover and develop their full potential. Budget cuts have adversely affected after school activities. This Agenda request supports District Strategic Goal #1: Prepare all students to be well-rounded individuals with the knowledge and skills to pursue their college and/or career goals; and District Strategic Goal #3: Apply fiscal, operational and community resources to ensure a safe learning environment that supports staff and student goals.

FUNDING: Not to exceed \$37,280. Site Title I and Targeted funds will pay the expenditures of this contract.

RECOMMENDATION: Approve Agreement for Special Contract Services with the Boys & Girls Clubs of Tracy to provide After School Services (iREAD! - Additional Time for EL's and SES students) and Structured Activities during Lunch Recess at South/West Park School during the 2018-2019 School Year.

BACKGROUND: The Core Leadership Team (CLT) of the Next Generation Science Standards (NGSS) Early Implementation Initiative (EII) grant provides rigorous, standards-aligned professional development to EII Science Teacher-Leaders (TLs), administrators, and teachers in Tracy Unified School District (TUSD). They have presented their work from the NGSS K-8 EII at the California Science Teachers Association annual meeting in 2016 and 2017. This will increase their knowledge and skills in sustaining and deepening the NGSS implementation's essential element: three-dimensional science instruction and learning. This Agenda item meets District Strategic Goal 2: Hire, support, develop, train, and sustain District employees who create a singleness of purpose focused on maximizing students' academic, social, and emotional potential.

FUNDING: The cost for this conference, including registration, travel, food, and lodging, will not exceed \$6,000.00 and will be paid out of 2018-2019 NGSS EII funds received from WestEd's K-12 Alliance for providing professional learning experiences for eight members of the science leadership for the sustainability work in years 5 and 6 of the EII grant.

EDUCATIONAL SERVICES MEMORANDUM

TO: Dr. Brian Stephens, Superintendent
FROM: Dr. Sheila Harrison, Associate Superintendent of Educational Services
DATE: May 22, 2018
SUBJECT: **Approve School Site Single Plans for Student Achievement and Site Budgets for the 2018/2019 School Year**

BACKGROUND: Each school site is required to develop a school plan (Single Plan for Student Achievement-SPSA). The SPSA includes an analysis of the prior year's assessment data, an evaluation of the progress toward meeting the goals for that year, establishment of goals and action plans for the new school year, and development of a budget to support the successful implementation of the action plans. The school plans are developed in a collaborative effort of the site administration, school staff, and parents. Each school's plan is approved by their School Site Council. The plans are reviewed by Directors in Educational Services to ensure all areas are addressed and funds are used appropriately. The development of a quality school plan requires sufficient time for all stakeholders to be involved in the process. It is this final product that is submitted to the Board for approval. In the past few years, schools completed a preliminary SPSA in the spring, and then, once they had updated assessment and state accountability data in the early fall, they completed the full data analysis and school plan. With the shift to the new state accountability system that releases updates in December, the timeline for developing school plans has been shifted so that the full data analysis and development of the school plan occurs in the Spring for the following school year. The SPSAs being submitted for approval at this time are for the 2018-19 school year.

RATIONALE: State law requires local Governing Board approval of each site's Single Plan for Student Achievement. This Agenda request supports District Strategic Goal #1: Prepare all students to be well-rounded individuals with the knowledge and skills to pursue their college and/or career goals; and District Strategic Goal #3: Apply fiscal, operational and community resources to ensure a safe learning environment that supports staff and student goals.

FUNDING: There is no cost to the District.

This program specifically targets Latino students; however, is open to all West High students. The program provides tutorials, fieldtrips, conflict resolution strategies, and healthy lifestyle skills, as well as engages students in their education and develops their decision-making skills.

RATIONALE: West High has found that the ODAT program has been very successful in the past and would like ODAT to continue working with Latino students, as well as any other student who voluntarily joins in to change their life. The ODAT program has continuously maintained a large number of voluntary participants and has continued to make a difference in the lives of these students. West High would like to continue their work throughout the 2018-2019 school year. This Agenda request meets District Strategic Goal #1: Prepare all students to be well-rounded individuals with the knowledge and skills to pursue their college and/or careers; and District Strategic Goal #2: Hire, support, develop, train, and sustain District employees who create a singleness of purpose focused on maximizing students' academic, social, and emotional potential.

FUNDING: The cost of this program is \$30,240.00 for the 2018-2019 school year. West High Title I funds will pay the expenditures for the ODAT Program.

RECOMMENDATION: Approve Agreement for Special Contract Services and Service Agreement with One Day At A Time (ODAT) to Provide Services to Staff and Students at West High School for the 2018-2019 School Year.

FROM: Tammy Jalique, Associate Superintendent for Human Resources
DATE: May 15, 2018
SUBJECT: **Receive Peer Assistance and Review Annual Report for the 2017-2018 School Year**

BACKGROUND: During the 2009-2010 school year, the Tracy Educators Association (TEA) and the Tracy Unified School District brought back the Peer Assistance and Review (PAR) program. The Program continues to operate during the 2017-2018 school year.

RATIONALE: The Peer Assistance and Review Program (PAR) allows exemplary teachers (Consulting Teachers) to assist certain permanent and beginning teachers in the areas of instructional skills, pupil progress, learning environment/classroom management, adherence to curricular/learning objectives, and/or related aspects of his or her teaching performance. Teachers referred to or who volunteer for the program are viewed as valuable professionals who deserve to have the best resources available provided to them in the interest of improving their performance.

Pursuant to Article XXXVI, Peer Assistance and Review (PAR), the Joint Committee is required to submit an annual report to the Governing Board regarding the program's impact. The attached annual report from the Joint Committee includes a summary of the program activities and recommendations of the Joint Committee.

This aligns with Strategic Goal #2: Hire, support, develop, train, and sustain district employees who create a singleness of purpose focused on maximizing students' academic, social, and emotional potential.

RECOMMENDATION: Receive Peer Assistance and Review Annual Report for the 2017-2018 school year.

Prepared by: Tammy Jalique, Associate Superintendent for Human Resources.

PEER ASSISTANCE AND REVIEW PROGRAM

2017-2018 Annual Report

Referred Participants:

The PAR program served three teachers who were mandatory referrals during the 2017-18 school year. Two of the participants entered the program in the Fall of 2016 and both were recommended to continue for the 2017-2018 school year as mandatory participants. Of these participants, one has been recommended to continue PAR program services through November of 2018. The other participant met the program goals and will be exiting the PAR program this year. The third mandatory participant entered the program in the Fall of 2017. This participant also met program goals, and will be exiting the PAR program this year.

A current voluntary participant will be a mandatory participant for the 2018-2019 school year. In addition, one other teacher will be assigned to PAR as a mandatory participant based on their 2017-2018 final evaluations.

Voluntary Participants:

During the 2017-18 school year, the PAR program served four voluntary participants. Two of the voluntary participants began services in August of 2016. One has met program goals and will be discontinuing services based on the recommendation of the consulting teacher. The other participant will continue with services through October of 2018 as the consulting teacher working with this participant took a leave of absence during the service period. The third voluntary participant entered the program in October of 2017. This participant will now be a mandatory participant for the 2018-2019 school year as referenced above. The fourth voluntary participant began receiving services in January of 2018 and will continue to receive services in the 2018-2019 school year.

Consulting Teachers Training and Support:

On July 25 and 26, 2017, Consulting Teachers had the option to attend *Mentoring Matters: A Practical Guide to Learning-Focused Relationships with Induction Mentors* presented by Lisa Danielson. This two-day training supported Consulting Teachers in building focused relationships with teachers. Consulting Teachers were also trained in using the PAR documentation forms.

A series of six (6) workshop sessions were provided through Staff Development that supported Consulting Teachers in building focused relationships with teachers and in using and completing the PAR program forms. Consulting teachers learned structures, strategies, and tools for mentoring and supporting colleagues in meeting their goals. These sessions provided 'just in time' support for Consulting Teachers to address challenges in working with participating teachers, whether mandatory or voluntary participants.

Participating Consulting Teachers were also provided with the *Mentoring Matters* text.

| May 17, 2018 3:30-5:30 PM | TBD |

As there is still a need for additional Consulting Teachers to cover all academic content areas and grade levels, applications have been sent to interested teachers and will be processed as they are received.

Topics/Activities Covered in the Peer Assistance Program (PAR):

The Joint Committee meets monthly to review reports from consulting teachers, to monitor progress and provide support as needed. Consulting teachers present their reports in person at least three times per year.

The funding for the PAR Program serves voluntary and mandatory participants, as well as the New Teacher Induction Program. This year funds were allocated to provide the *Mentoring Matters* books for all consulting teachers as identified above, to provide a participating teacher and the consulting teacher with *The Art and Science of Teaching* by Marzano to utilize for book study purposes, and to order classroom materials in support of a participating teacher’s growth goals. Per the Master Agreement, the previous year’s revenue monies not used by the PAR Program will be used in the BTS/Induction Program during the following year.

Recommendations:

For the 2018-2019 school year, the Joint Panel recommends:

- All active Consulting Teachers should continue to work with their Participating Teachers (newly identified and continuing) for the 2018-2019 school year. It is important that the Consulting Teacher work with their Participating Teacher *before school starts* in order to set up the classroom and to design and implement structures and routines to ensure an effective and healthy learning environment for all students.
- The Joint Committee should develop training materials that could be used with site administrators and with teachers to inform them about the PAR program and its benefits. The goal would be to present a training for these materials at a Fall 2018 management meeting for all administrators to take back to their sites for implementation with their teachers.
- The Joint Committee will continue to remind Site Administrators and TEA Members annually about the benefits of volunteering for PAR participation and that the PAR Program is available to all permanent teachers on a voluntary basis at any time during the school year.
- The Joint Committee continue to gather feedback from participating teachers and consulting teachers to evaluate the effectiveness of their PAR experience.
- The Joint Committee continue to provide on-going support to Consulting Teachers in partnership with Staff Development. The committee believes this training should be an expectation for consulting teachers providing service to mandatory participants.

Respectfully submitted,

PAR Joint Committee Members:

Tammy Jalique, Chair (District Rep)

Kimberly Jacobs, (TEA Rep)

Melissa Beattie, District Rep

BUSINESS SERVICES MEMORANDUM

TO: Dr. Brian Stephens, Superintendent
FROM: Dr. Casey Goodall, Associate Superintendent for Business
DATE: May 18, 2018
SUBJECT: Acknowledge Receipt of Administrative Regulation 1330.1 Community Rental of School District Facilities (First Reading)

BACKGROUND: Based on years of interactions with multiple outside users procedures have been added in response to issues as they have been identified, Tracy Unified School District has developed a comprehensive administrative regulation governing rental of school facilities. Because the document has slowly grown in response to specific issues, the document became contained duplications and inconsistencies and was disorganized. In response to those duplications and inconsistencies, major revisions were made to the administrative regulation under the guidance from the district's attorney. Those revisions were approved at the beginning of the 2017-18 school year.

RATIONALE: The need for additional revisions was identified during the course of the 2017-18. Recommended deletions are stricken through. Recommended additions are printed in red. The revisions also include a recommended 3.5% increase in personnel related fees to reflect a negotiated increase in employee costs that was approved retroactive to July 1 of 2017.

FUNDING: This policy and administrative regulation will have no impact on funding.

RECOMMENDATION: Acknowledge Receipt of Administrative Regulation 1330.1 Community Rental of School District Facilities (First Reading).

EDUCATIONAL SERVICES MEMORANDUM

TO: Dr. Brian R. Stephens, Superintendent
FROM: Dr. Sheila Harrison, Associate Superintendent of Educational Services
DATE: May 31, 2018
SUBJECT: **Adopt Revisions to Board Policy 6146.1 High School
Graduation Requirements/Standards of Proficiency (Second Reading)**

BACKGROUND: California's State Board of Education adopted the Next Generation Science Standards (NGSS) to replace the 1998 standards, in November 2013. Under the guidance of the Superintendent and his Cabinet and the San Joaquin County Office (SJCOE) of Science, Technology, Engineering and Mathematics (STEM), Tracy Unified School District's (TUSD) 9-12 Science Committee teacher-leaders chose the California Science Framework's 3-course model for high school science. The 3-course model requires one course in biology, one in chemistry, and one in physics, each course integrated with the relevant earth science standards. This is different from the current requirements of a course in biological science, a course in physical science, and one other science course.

RATIONALE: The new course sequence for high school science creates a need to update Board Policy 6146.1. TUSD already requires three high school science courses for graduation, so the 3-course model is aligned with current unit requirements. However, the 3-course model requires teaching all the NGSS high school standards, in line with the Framework's direction of "all standards for all students." The required content of each of the three courses has changed and this change requires a revision to the names and content of the science courses required for graduation. This agenda item meets District Strategic Goal #1: Prepare all students to be well rounded individuals with the knowledge and skills to pursue their college and/or career goals.

FUNDING: There is no cost to this Board Policy revision.

RECOMMENDATION: Adopt Revisions to Board Policy 6146.1 High School Graduation Requirements/Standards of Proficiency (Second Reading).

EDUCATIONAL SERVICES MEMORANDUM

TO: Dr. Brian R. Stephens, Superintendent
FROM: Dr. Sheila Harrison, Associate Superintendent of Educational Services
DATE: May 30, 2018
SUBJECT: **Acknowledge Revisions to Administrative Regulation 6158(e) Independent Study/Individualized Arrangement (First Reading)**

BACKGROUND: *SB 828, Effective June 27, 2016*, clarified that existing law requires a written agreement for each independent study pupil, not to exceed one school year, signed by prescribed individuals, and maintained on file.

RATIONALE: Currently, AR 6158(e) states that the duration of the independent study agreement can be in place for a maximum of one semester (or one half year if the school is on a year-round calendar). This time limit creates a large amount of unnecessary work for the independent study teacher, administrator, counselors, students and families because they have to meet twice a year to sign an agreement. In addition, this time limit requires all of the meetings to sign the agreements to happen at the beginning of the semester(s). The proposed change would align AR 6158(e) with the language in CA Ed Code 5147(c)(5) which states, "The duration of the independent study agreement, including the beginning and ending dates for the pupil's participation in independent study under the agreement. No independent study agreement shall be valid for any period longer than one school year" allowing the independent study team to write agreements for up to one year from the time they entered the program. In addition, doing the agreements from date-to-date spreads the meetings to sign the agreements over the entire school year.

FUNDING: There is no cost to this Administrative Regulation revision.

RECOMMENDATION: Acknowledge Revisions to Administrative Regulation 6158(e) Independent Study/Individualized Arrangement (First Reading).

Prepared by: Sam Strube, Director of Adult Education and Career and Technical Education

**INDEPENDENT STUDY/INDIVIDUALIZED
ARRANGEMENT (Continued)**

A. Purpose and Scope

The Governing Board of a school district which maintains an elementary school, secondary school, an opportunity/program, a continuation school, summer school, work experience program, or special education program, may adopt rules and regulations which authorize any pupil enrolled to enroll in an independent study program of the district.

Educational opportunities offered through independent study may include, but are not limited to: (Education Code 51745)

1. Special assignments extending the content of regular courses of instruction
2. Individualized study in a particular area of interest or in a subject not currently available in the regular school curriculum
3. Individualized alternative education designed to teach the knowledge and skills of the core curriculum, but not provided as an alternative curriculum
4. Continuing and special study during travel
5. Volunteer community service activities that support and strengthen student achievement

In addition, when requested by a parent/guardian due to an emergency, vacation, or illness, independent study may be used on a short-term basis to ensure that the student is able to maintain academic progress in his/her regular classes.

No course required for high school graduation shall be offered exclusively through independent study. (Education Code 51745)

Equivalency

The District's independent study option shall be substantially equivalent in quality and quantity to classroom instruction to enable participating students to complete the District's adopted course of study within the customary time frame. Students in independent study shall have access to the same services and resources that are available to other students in the school and shall have equal rights and privileges. (5 CCR 11700, 11701.5)

**INDEPENDENT STUDY/INDIVIDUALIZED
ARRANGEMENT (Continued)**

The District shall not provide independent study students and their parents/guardians with funds or items of value that are not provided for other students and their parents/guardians. (Education Code 46300.6, 51747.3)

Eligibility for Independent Study

Provided that experienced certificated staff are available to effectively supervise students in independent study, the Superintendent or designee may approve the participation of a student who demonstrates the motivation, commitment, organizational skills, and academic skills necessary to work independently. A student whose academic performance is not at grade level may participate in independent study only if the school is able to provide appropriate support, such as supplemental instruction, tutoring, counseling, ongoing diagnostic assessments, and/or differentiated materials, to enable the student to be successful. For an elementary student, the Superintendent or designee may consider the parent/guardian's level of commitment to assist the student.

A student participating in independent study must be a resident of the county or an adjacent county. Full-time independent study shall not be available to students whose District residency status is based on their parent/guardian's employment within district boundaries pursuant to Education Code 48204. (Education Code 46300.2, 51747.3)

For a student with disabilities, as defined in Education Code 56026, participation in independent study shall be approved only if his/her individualized education program specifically provides for such participation. (Education Code 51745)

A temporarily disabled student shall not receive individual instruction pursuant to Education Code 48206.3 by means of independent study. (Education Code 51745)

Students age 21 or older, and students age 19 or older who have not been continuously enrolled in school since their 18th birthday, may participate in independent study only through the adult education program for the purpose of enrolling in courses required for a high school diploma by Education Code 51225.3 or the Governing Board. (Education Code 46300.1, 46300.4)

No more than 10 percent of the students enrolled in a continuation high school or opportunity school or program, not including pregnant and parenting students who are

**INDEPENDENT STUDY/INDIVIDUALIZED
ARRANGEMENT (Continued)**

primary caregivers for one or more of their children, shall be eligible for apportionment credit for independent study. (Education Code 51745)

B. General

Independent Study:

1. **Definition:** The Independent Study Program is an alternative to classroom instruction consistent with the District's course of study.
2. **Rationale:** There are times when it is in the student's best interest to include in his or her program, the Independent Study Program instead of, regular course assignments.
2. **Scope:** An individual student or group of students may engage in the Independent Study Program, on or off campus. The Independent Study Program may range from an activity as part of the regular class to an activity completely separate from the regular program.
4. The Independent Study Program or project need not be limited in time or geographical distance from school site.

Independent Study in the schools is an alternative educational program designed to serve students. The program also serves individuals who are over 18 years of age, up to 21.

The Independent Study Program is primarily for young people who are seeking alternatives to a regular high school education and has an acceptable reason for requesting Independent Study, due to the limitation of having only ten percent of the ADA enrolled in this program.

Student work is based on an Independent Study Agreement written by the student and teacher. This agreement governs such specifics as subject area, meeting times, course credit, and evaluation of student work.

Independent Study allows for flexible scheduling of student work. Of the student's "school time," 90% is spent on independent assignments at home, in the field, or on the job. Approximately 10% of the student's "school time" is spent working directly with the teacher, usually once a week. During these sessions, the teacher and student review

The agreement shall include general student data, including the student's name, address, grade level, birth date, school of enrollment, and program placement.

The independent study agreement for each participating student also shall include, but not be limited to, all of the following: (Education Code 51747; 5 CCR 11700)

Before the student begins the independent study, the written agreement shall be signed and dated by the student, the parent/guardian or caregiver of the student if the student is under age 18, the certificated employee responsible for the general supervision of independent study, and all persons who have direct responsibility for providing assistance to the student. (Education Code 51747; 5 CCR 11702)

TO: Dr. Brian R. Stephens, Superintendent
FROM: Dr. Sheila Harrison, Associate Superintendent of Educational Services
DATE: May 30, 2018

As early as possible, district staff shall notify the Superintendent or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

In addition, district staff shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

The Governing Board is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status.

District staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and federal law. (Education Code 234.7)

California Education Code Section 201(a), Section 220 of the Education Code provides that no person shall be subject to discrimination on the basis of gender in any program or activity conducted by an educational institution that receives or benefits from state financial assistance. The code further provides that public schools have an affirmative obligation to combat sexism and other forms of bias, and a responsibility to provide equal educational opportunity to all pupils. California Education Code Section 201(b).~~

~~The California Code of Regulations similarly provides that "No person shall be excluded from participation in or denied the benefits of any local agency's program or activity on the basis of sex or person's actual or perceived sexual orientation, gender identity/expression, ethnic group identification, race, color, ancestry, national origin, religion, or mental or physical disability in any program or activity conducted by an 'educational institution' or any other 'local agency'...that receives or benefits from any state financial assistance." 5 CCR Section 4900(a).~~

~~The California Code of Regulations defines "gender" as: "a person's actual sex or perceived sex and includes a person's perceived identity, appearance or behavior, whether or not that identity, appearance, or behavior is different from that traditionally associated with a person's sex at birth." 5 CCR Section 4910(k).~~

NONDISCRIMINATION/HARASSMENT

~~Prohibited~~ **Unlawful** discrimination, **including discriminatory** harassment, intimidation, or bullying ~~includes~~ **may result from** physical, verbal, nonverbal, or written conduct based on ~~one~~ *any* of the categories listed above. **Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct** that is so severe, **persistent**, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

~~District programs and activities shall be free from discrimination, including harassment, with respect to a student's actual or perceived sex, gender, ethnic group identification, ancestry, race, national origin, religion, color, physical or mental disability, age or sexual orientation.~~

~~Policies and procedures related to harassment must also be consistent with First Amendment rights to free speech. Education Code 48950 provides that no district with one or more high schools shall make or enforce any rule subjecting a high school student to disciplinary sanctions solely on the basis of speech of other communication that would be constitutionally protected if engaged in outside of campus. Education Code 48950 specifically states that it does not prohibit discipline for harassment, threats or intimidation unless constitutionally protected. As a general rule, harassment, threats and intimidation directed at an individual or group are constitutionally protected, and whether such speech might be entitled to constitutional protection would be determined on a case-by-case basis, with consideration for the specific words used and the circumstances involved.~~

~~The Board prohibits intimidation or harassment of any student by any employee, student or other person in the district. Staff shall be alert and immediately responsive to student conduct, which may interfere with another student's ability to participate in or benefit from school services, activities or privileges.~~

~~No teacher may enforce a rule in class which is in conflict with a student's rights or, with any other rules set by the school administration.~~

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any student **individual** who **reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of** a complaint or report **alleging unlawful** regarding an incident of discrimination, ~~harassment, intimidation, or bullying.~~ **Retaliation complaints shall be**

NONDISCRIMINATION/HARASSMENT

investigated and resolved in the same manner as a discrimination complaint.

~~The Superintendent or designee shall provide age-appropriate training and information to students, parents/guardians, and employees regarding discrimination, harassment, intimidation, and bullying, including, but not limited to, the district's nondiscrimination policy, what constitutes prohibited behavior, how to report incidents, and to whom such reports should be made.~~

~~In providing instruction, guidance, supervision, or other services to district students, employees and volunteers shall carefully guard against segregating or stereotyping students.~~

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Sports and Gym Class

~~Transgender students shall not be denied the opportunity to participate in physical education, nor shall they be forced to have physical education outside of the assigned class time. Generally, students should be permitted to participate in gender-segregated recreational gym class activities and sports in accordance with the student's gender identity that is exclusively and consistently asserted at school. Participation in competitive athletic activities and contact sports will be resolved on a case-by-case basis.~~

~~The schools may provide girls and boys with separate shower rooms and sex education classes when appropriate in order to protect student modesty. In physical education, when objective standards have an adverse effect on students because of their gender, race, ethnic group or disability, other standards shall be used to measure achievement and create comparable educational opportunities.~~

Dress Codes

~~School sites can enforce dress codes that are adopted pursuant to Education Code 35291. Students shall have the right to dress in accordance with their gender identity that is exclusively and consistently asserted at school, within the constraints of the dress codes~~

NONDISCRIMINATION/HARASSMENT

~~adopted at their school site. This regulation does not limit a student's right to dress in accordance with the District and/or site Dress/Appearance standards.~~

Gender Segregation in Other Areas

~~As a general rule, in circumstances where students are separated by gender for school activities (i.e., class discussions, field trips), students shall be permitted to participate in accordance with their gender identity exclusively and consistently asserted at school. Activities that may involve the need for accommodations to address student privacy concerns will be addressed on a case-by-case basis. In such circumstances, staff shall make a reasonable effort to provide an available accommodation that can address any such concerns.~~

~~The principal or designee shall develop a plan to provide students with appropriate accommodations when necessary for their protection from threatened or potentially harassing or discriminatory behavior.~~

Grievance Procedures

~~The Board hereby designates the following position(s) as Coordinator(s) for Nondiscrimination to handle complaints regarding discrimination and inquires regarding the district's nondiscrimination policies:~~

~~School Principals
 Director of Student Services and Curriculum
 Director of Special Projects and Curriculum
 Director of Special Education and Curriculum
 Assistant Superintendent of Educational Services
 1875 W. Lowell Avenue
 Tracy, CA 95376
 Phone: 832-3200~~

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in **unlawful** discrimination, **including discriminatory** harassment, intimidation, **retaliation**, or bullying, ~~or retaliation~~ in violation of law, Board policy, or administrative regulation shall be subject to appropriate *consequence or discipline*, ~~up to and including counseling~~, **which may include suspension, and/or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4.** Any employee who permits or engages in prohibited discrimination, **including discriminatory**

NONDISCRIMINATION/HARASSMENT

harassment, intimidation, ~~retaliation~~, or bullying, ~~or retaliation~~, shall be subject to disciplinary action, up to and including dismissal.

~~Any student who feels that he/she has been subjected to discrimination, harassment, intimidation, or bullying should immediately contact the Coordinator, the principal, or any other staff member. In addition, any student who observes any such incident should report the incident to the Coordinator or principal, whether or not the victim files a complaint.~~

~~Any school employee who observes an incident of discrimination, harassment, intimidation, or bullying or to whom such an incident is reported shall report the incident to the Coordinator or principal, whether or not the victim files a complaint.~~

~~In addition, the employee shall immediately intervene when safe to do so. (Education Code 234.1)~~

~~Upon receiving a complaint of discrimination, harassment, intimidation, or bullying, the Coordinator shall immediately investigate the complaint in accordance with the district's uniform complaint procedures specified in AR-1312.3—Uniform Complaint Procedures.~~

~~Where the Coordinator finds that harassment has occurred, he/she shall take prompt, appropriate action to end the harassment and address its effects on the victim.~~

~~The Coordinator shall also advise the victim of any other remedies that may be available. The Coordinator shall file a report with the Superintendent or designee and refer the matter to law enforcement where required.~~

~~The Superintendent or designee shall ensure that the student handbook clearly describes the district's nondiscrimination policy, procedures for filing a complaint regarding discrimination, harassment, intimidation, or bullying, and the resources that are available to students who feel that they have been the victim of any such behavior. The district's policy shall also be posted on the district web site or any other location that is easily accessible to students.~~

~~When required pursuant to Education Code 48985, complaint forms shall be translated into the student's primary language.~~

Retaliation

~~It is a violation of District policy to retaliate against any person who reports incident(s) of alleged harassment or testifies, assists or participates in an investigation, proceeding or hearing relating to such alleged harassment. An alleged harasser may be found to have violated this anti-retaliation provision even if the underlying complaint of harassment is subsequently not found to be in violation of this policy.~~

NONDISCRIMINATION/HARASSMENT

~~Retaliation includes, but is not limited to, an adverse action, intimidation, threats, reprisal or harassment, against a complainant or someone acting on the complainant's behalf, who complained about or otherwise protested about harassment. Retaliation may be readdressed through application of the same reporting, investigation and enforcement procedures as for harassment.~~

~~Retaliation against the complainant, the alleged harasser, and/or any witnesses, by breach of confidentiality or otherwise, is strictly prohibited, will not be tolerated, and will be dealt with by appropriate disciplinary consequences including expulsion and/or referral to legal authority.~~

~~Any person who knowingly makes a false report may be subject to the same action that the district may take against any other individual who violates this policy. The term "false report" refers only to those made in bad faith and does not include a complaint that could not be corroborated or which did not rise to the level of unlawful harassment.~~
