FREQUENTLY ASKED QUESTIONS:

Can I select the merchants on my cards?
 -We ask you for your wish list of 20+ merchants. Then we reach out to nearly 100 others until we secure 10-15 discounts for your cards.

How many cards can I sell?
 -Each group is different, but the average group sells 15-20 cards per person. we suggest ordering 20 cards per member (more if you have a team of superstars.)

How long does it take to get my cards?
 -Our process takes 3-4 weeks on average. Rush orders are available for faster delivery. (10 days or less.)

Can I sell \$15 or \$20 cards instead of \$10?
 -Yes, \$15 and \$20 cards are available. They require more merchants and cost more to produce. We have found that \$10 cards make the most profit for you.

Can I see the card before it is printed?
 -Yes, we will send you a .pdf proof of your card before printing.

How much can I make?
 -You will make as much as you can sell. The more cards you order, the more money you will make. See pricing on the back of this brochure.

BOARD AGENDA

August 7, 2018

TO: BOARD OF TRUSTEES
PREPARED BY: Regina L. Rossall, Superintendent
SUBJECT: Board Certification of Williams Uniform Complaint Quarterly Report Summary

BACKGROUND:

As a result of the Williams Lawsuit, the Board must certify on a quarterly basis that its members have been informed of complaints made under this settlement.

Since the District receives both state and federal funds for educational programs, we are required to comply with this part of the Williams settlement.

COST ANALYSIS:

There is no immediate cost to this action other than staff time required to track and respond to complaints. Currently that is minimal.

INTER-DISTRICT ATTENDANCE AGREEMENT

THE GOVERNING BOARD OF THE SOUTHERN KERN UNIFIED SCHOOL DISTRICT OF KERN COUNTY AND THE GOVERNING BOARD OF THE WESTSIDE UNION SCHOOL DISTRICT OF LOS ANGELES COUNTY AGREE AS FOLLOWS:

Applicability of this agreement is limited to grade levels mutually maintained by the contracting parties;

1. Except as provided in Paragraph 2 thereof, each of these districts shall accept, insofar as facilities permit, pupils who are residents of the other of these districts who have proper permits for attendance from the Superintendent or authorized representative of the school district of residence and district of proposed attendance.
2. For any program, each district shall establish the availability of space based on current enrollment and anticipated growth. Program includes any special program, alternative program and any regular education grade level. Each district shall establish a specific maximum number of student transfers that may be accepted for each program. Each district may deny approval of a request for an Inter-district attendance permit for a student if there is no available space in the existing program or programs operated by the district that the student requires. A district shall not be required to establish new programs solely for the purpose of accepting requests for Inter-district attendance permits. This agreement applies only to those grade levels mutually operated by both districts.
3. The respective districts shall furnish pupils covered by this agreement the same advantages, equipment, supplies, and services as are furnished to other pupils in attendance in their schools, exclusive of transportation between home and school, which may be furnished at the option of the district of attendance.
4. Notwithstanding Paragraph 1 above, the respective districts shall establish appropriate controls for issuance of permits and acceptance of pupils so that an appropriate balance is maintained in districts with regard to the number of Inter-district attending students. The district of residence shall provide the district of attendance a copy of all permits issued, and the district of attendance shall notify the district of residence upon its acceptance of pupils with valid permits.
5. Apportionments and average daily attendance shall be based upon, computed and distributed to the district of attendance in accordance with the provisions of the Education Code and of the Administrative Code of the State of California.
6. No financial obligation shall be incurred by the district of residence for services rendered under this agreement unless pre-approved pupil excess cost rates have been agreed to by the district of residence and district of attendance.
7. This agreement shall be in effect for one school year, commencing July 1, 2018, and ending June 30, 2019, and shall be renewable by mutual consent for a period not to exceed five (5) years, provided however, that agreement on such renewal shall be accomplished no later than June 1, preceding the expiration date.

BOARD AGENDA

August 7, 2018

TO: BOARD OF TRUSTEES

PREPARED BY: Marguerite Johnson, Assistant Superintendent, Educational Services

SUBJECT: Board Policies, Administrative Regulations and Exhibits – First Reading

BACKGROUND:

Annually policies are reviewed by CSBA and changes are suggested as a result of either recent judicial rulings or legislative enactment. Changes to these policies and regulations make our policies consistent with law.

PROGRAM/EDUCATIONAL IMPLICATION:

Board Policy 0400 Comprehensive Plans - Revised

The policy has been updated to include the local control and accountability plan (LCAP) as a comprehensive plan of the district and to emphasize the need for consistency among documents and plans that set direction for the district.

Board Policy/Administrative Regulation/Exhibit 0520.2 Title I Program Improvement Schools – Delete

The policy, regulation, and exhibit have been deleted as federal program improvement requirements have been suspended for the 2017-18 school year and will, beginning in the 2018-19 school year, be replaced by a new system of comprehensive and targeted improvement established by the Every Student Succeeds Act.

Board Policy 0520.3- Title I Program Improvement Districts - Delete

The policy deleted as federal program improvement requirements have been suspended for the 2017-18 school year and will, beginning in the 2018-19 school year, be replaced by a new system of comprehensive and targeted improvement established by the Every Student Succeeds Act.

Board Policy/Administrative Regulation 5113.12 - District School Attendance Review Board - New

The new policy and regulation are to be used by districts that have established their own local school attendance review board (SARB).

Administrative Regulation 5125.2- Withholding Grades, Diploma or Transcripts - Replace

The regulation has been updated to clarify the circumstances under which the district may withhold a student's grades, diploma, and/or transcripts until the student's parents/guardians have paid for the damages to or loss of district property willfully caused by the student. Revisions also clarify the student's due process rights, as well as the requirement to continue to withhold the grades, diploma, and/or transcripts when such a student transfers from one district to another.

COST ANALYSIS:

There are no costs associated with updating these policies and administrative regulations.

Title I Program Improvement Schools

Philosophy, Goals, Objectives and Comprehensive Plans

BP 0520.2(a)

The Board of Trustees is committed to enabling all district students to meet state academic achievement standards and to narrowing the achievement gap among student groups. To that end, the district shall provide support and assistance to increase student achievement in any school that receives federal Title I funding and has been identified by the California Department of Education as a program improvement (PI) school.

(cf. 6011 - Academic Standards)

(cf. 6162.5 - Student Assessment)

(cf. 6162.51 - Standardized Testing and Reporting Program)

(cf. 6171 - Title I Programs)

Whenever a school is identified for Year 4 PI but is not identified as a "persistently lowest achieving school" pursuant to Education Code 53201, the parents/guardians of students attending that school may petition the Board to implement an intervention for the purpose of improving academic achievement or student safety, provided that the state limit on the number of such schools has not yet been reached. To be considered by the Board, the petition shall contain all required content and signatures and specify one of four intervention models (i.e., turnaround model, restart model, school closure, or transformation model) or an alternative governance arrangement, as described in 5 CCR 4803-4807. The district shall implement the option requested by the parents/guardians unless, at a regularly scheduled public hearing, the Board makes a finding in writing stating the reason it cannot implement the recommended option and instead designates one of the other options to be implemented. (Education Code 53300-53303; 5 CCR 4800-4808)

Program Evaluation

The Superintendent or designee shall develop an annual report card that includes the information specified in 20 USC 6311 for each district school and for the district as a whole. The required information may be incorporated into each school's school accountability report card. (20 USC 6311)

(cf. 0510 - School Accountability Report Card)

(cf. 6190 - Evaluation of the Instructional Program)

The report card shall be concise, presented in an understandable and uniform format and, to the

extent practicable, in a language that parents/guardians can understand. It shall be made
BP 0520.2(b)
accessible to the public on the district's web site. (20 USC 6311)

(cf. 1113 - District and School Web Sites)

As necessary based on the results of this evaluation, the Board may require the Superintendent or designee to review and revise any of the school's reform plans, including the school's Single Plan for Student Achievement, allocate additional resources toward the implementation of the plan, and/or require more frequent monitoring of the school's progress in order to raise student achievement.

District School Attendance Review Board

Students

AR 5113.12(a)

Upon receiving a referral of a student with attendance and/or behavior problems, a designated member of the school attendance review board (SARB) shall review the case and may meet with school personnel to determine whether the school has provided sufficient information about the student's attendance record or behavior. If the referral is complete and is an appropriate matter for the SARB to consider, the SARB chairperson shall provide written notification to the student's parents/guardians stating the reasons a referral has been made, explaining the SARB process, advising whether additional information is needed, and describing school-level interventions that have previously been attempted.

The SARB shall meet with the student and his/her parents/guardians, give them an opportunity to present their understanding of the problem, and discuss the school and/or community resources appropriate for the student's circumstances.

Any SARB meeting to consider matters related to an individual student shall be held in closed session unless the parent/guardian requests, in writing, that the meeting be held in open session.

(cf. 9321 - Closed Session Purposes and Agendas)

The SARB shall have access to relevant student records, but shall not provide access to others without written consent of the student's parent/guardian. (Education Code 49076)

(cf. 5125 - Student Records)

For the limited purpose of making a proper disposition of the referral of a student, the SARB may issue subpoenas pursuant to Code of Civil Procedure 1985-1997 or may request the juvenile court to issue subpoenas to require the attendance of the student, parents/guardians or other person having control of the student, the school authority referring the student, or any other person who has pertinent or material information concerning the matter. The SARB shall not issue any subpoena that includes a request for production of written materials, but may request a juvenile court to issue such subpoena for the production of written materials. (Education Code 48263, 48321.5)

The SARB shall issue written directives stating the responsibilities of all persons involved, detailed resource referrals, and follow-up dates for the school's reports on the student's progress. The written directives shall include an agreement that the student will attend school or improve classroom behavior as applicable, and shall be signed by the student, his/her parents/guardians, the SARB chairperson, and the Superintendent or designee.

When referred by the SARB, a student may be assigned to a community day school or a county

community school. (Education Code 1981, 48662)

(cf. 6185 - Community Day School)

At any time it deems proper, the SARB may require the student or his/her parents/guardians to furnish satisfactory evidence of participation in any available community services that the student or parents/guardians have been directed to use. (Education Code 48263)

Based on progress reports submitted by the school, the SARB may terminate the agreement upon the successful completion of the terms of the agreement, extend the time for completion of the agreement, or schedule another meeting with the student and his/her parents/guardians.

If the student's attendance or behavior problems cannot be resolved by the SARB, or if the student and/or the student's parents/guardians continually and willfully fail to respond to SARB directives or the services provided, the student or parents/guardians shall be referred to the appropriate agency, including law enforcement agencies when necessary. BOARD AGENDA

August 7, 2018

TO: Board of Trustees

PREPARED BY: Shawn Cabey, Assistant Superintendent Administrative Services

SUBJECT: Formation of Community Facilities District 2018-1

BACKGROUND

Two items are before the Board for action tonight related to the formation of Westside Community Facilities District No. 2018-1 with Improvement Area Nos. 1 and 2. The first item is the second reading of the ordinance authorizing the levy of special taxes within the CFD. The second item is an ordinance to dissolve CFD 2007-1 with respect to property that is now within CFD No. 2018-1.

STG is the owner of approximately 35 undeveloped acres in the City of Lancaster on which it plans to construct approximately 147 single family homes. The District and prior owner of the STG property previously entered into a mitigation agreement, dated September 18, 2007, to mitigate the impact of then planned development. Based on that prior agreement, the District formed CFD 2007-1 with improvements areas A, B and C. No bonds have been issued in CFD 2007-1.

Since the formation of CFD No. 2007-1, home prices within the Antelope Valley have decreased making the level of property taxes within CFD No. 2007-1 undesirable to potential homebuyers. Additionally, the property within Improvement Area B of CFD No. 2007-1 is now owned by a different developer. As a result, STG (Now the owner of property within CFD No. 2007-1 Improvement Areas A and C) and the District entered into an amended mitigation agreement to restructure the special tax obligation on the STG property. Under the amended agreement, a new CFD would be formed and CFD 2007-1 would be dissolved for the STG property within the new CFD. CFD 2007-1 would remain in place as to Improvement Area B.

Prior Actions

At its April 3, 2018 meeting, the Board approved the following items: (1) an amended mitigation agreement; (2) a resolution of intent to form CFD No. 2018-1; (3) a resolution of intent to incur debt within CFD No. 2018-1; and (4) a resolution approving the CFD's boundaries. Those actions established a date for a required public hearing on the formation of the CFD for the Board's May 15, 2018 meeting. The hearing was continued to the Board's June 5, 2018 meeting at which time the Board took the following actions: (1) adopted a resolution approving an amended boundary map for CFD No. 2018-1; (2) held a public hearing; (3) adopted a resolution of formation; (4) adopted a resolution of intent to incur debt; (5) adopted a resolution canvassing

election results, and (6) a first reading of an ordinance authorizing the levy of special taxes within CFD No. 2018-1.

August 7, 2018 Actions

Tonight's items are required to complete the formation of CFD No. 2018-1 and dissolve CFD No. 2007-1 as to the STG property now within CFD No. 2018-1. The items include:

- The Board must adopt an ordinance authorizing the levy of the special taxes within each improvement area of the CFD. The rate of the special taxes will be set each year based on the formulas set forth in the Amended Rate and Method of Apportionment of Special Taxes. This is the last step required for the formation of the CFD.
- Adopt Ordinance Dissolve CFD No. 2007-1 for Improvement Areas A and C.

PROGRAM/EDUCATIONAL IMPLICATION

The formation of CFD No. 2018-1 will provide funding above the District's current Level II developer fees, which will assist with the impact on the District's facilities from STG's proposed development. The dissolution of CFD No. 2007-1 as to Improvement Areas A and C will not have a financial impact as the funding provided will be replaced by the funding to now be provided by CFD No. 2018-1.

COST ANALYSIS/FUNDING SOURCE

All costs associated with the formation of CFD No. 2018-1 are currently being paid from special taxes collected within CFD No. 2007-1. Ultimately, all costs will be paid from the issuance of bonds by CFD No. 2018-1. District staff has requested that Owner make a deposit to the District to pay costs associated with the formation of CFD No. 2018-1. These deposits as well as any costs incurred by the District which are not covered by the Owner's deposit will be repaid if and when bonds are sold by CFD No. 2018-1. Once CFD No. 2018-1 is formed any ordinary and necessary administrative expenses will be funded with a portion of the special taxes of the CFD.
