

Identity Theft and Privacy Protection

Guarding your personal information is as EASY as 1-2-3!

Follow these steps to create your IDShield account.

1. Create an Account with LegalShield

Create your account at accounts.legalshield.com using your member number. If you already have a LegalShield account, simply sign-in.

2. Add Your Information to be Monitored

Select "Credit and Dark Web" from your IDShield Member Portal and create your identity protection account. Once you create your account you can add the personal information you want to monitor, including your social media accounts.

From the IDShield Member Portal you can also access your password manager, VPN Proxy One and anti-malware protection services provided by Trend Micro™. To download these services you will be asked to create a separate account with Trend Micro.

3. Download the IDShield Mobile App

After you create your identity protection account, download the IDShield mobile app and sign-in using your created login credentials.

If you have questions about setting up your account,
please call **Member Services at 1-888-807-0407**.
Member Services is available 7 a.m.-7 p.m. CT, Monday-Friday.
